

MATCHING MINI-GRANT APPLICATION FORM

Our Mission:

Rooted in Wyoming connects communities through local food. Through the RiW mini-grant, we partner with individuals, organizations, and schools to facilitate community outreach programs and cultivate educational gardens. Grants up to \$1,000 will be considered.

Rooted in Wyoming will accept proposals for mini-grants for the following target areas:

1. Applicable Education (lessons, workshops, hands on activities, etc.)
2. Local garden, farm, greenhouse or food growing projects (e.g. after-school programs, culinary classes utilizing local foods, teaching)

Guidelines for Submitting a Proposal:

Proposals may not exceed two pages in length and must include organization basics (type of organization and general contact information), project description, proposal, timeline, and project budget. Proposals that are longer than two pages will not be considered. Grant Reports are due 30 days after project completion.
