Dear Sirs

Pensford Playing Fields
The Cabin situated at Land Parcel A

We refer to our letter dated 14 February 2025 (copy enclosed), in which you were informed that your implied tenancy at will, of Pensford Playing Fields (Land Parcel A), will terminate on 29th September 2025.

You were also informed that the cabin you had erected – including its contents, must be removed from the land.

We have since been instructed that our client does not require the cabin to be removed. The entire structure can remain in situ after your tenancy at will expires on 29th September 2025.

You may however, wish to remove items of furniture and other belongings from the cabin, when you vacate the land at the end of your tenancy.

Please quote our reference given at the head of this letter in all correspondence

Yours faithfully

B. Reid
