*Verse, Chorus, Bridge*

Diatonic

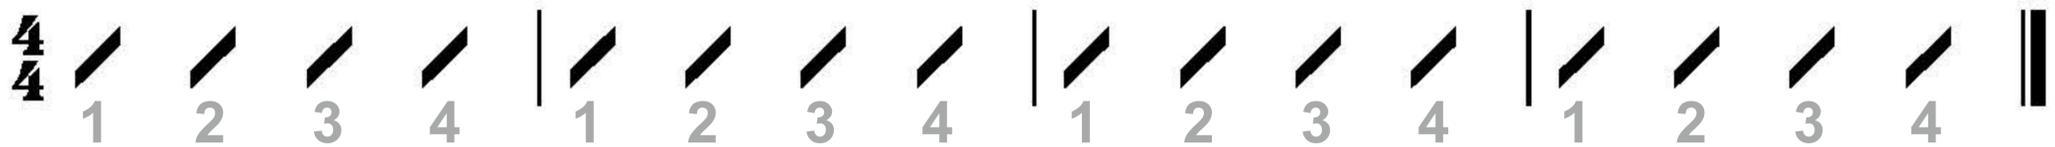

Key of Song: \_\_\_\_\_

Chord Scale: \_\_\_\_\_

I ii iii IV V vi vii<sup>o</sup>

## Harmonic Rhythm

Show the harmonic rhythm of the chord progression by writing the chord symbol above the corresponding beat in lead sheet below.

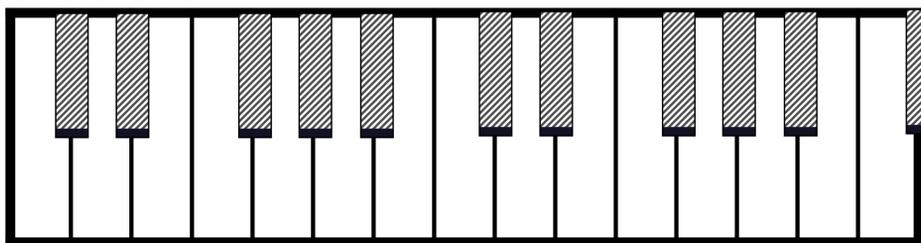

## Inversion Planning

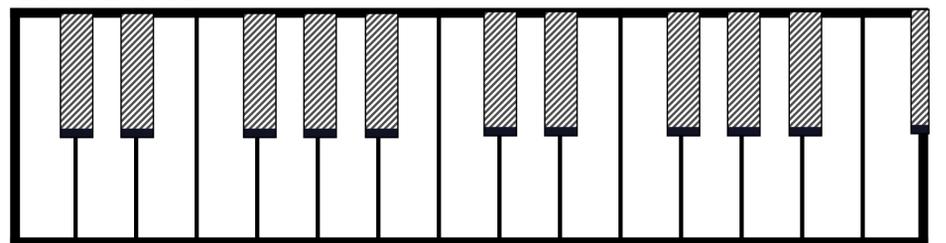

Spell and invert the chords of the progression for smooth voice leading in the chart below. Use dots in the keyboard diagrams to chart note movements between chords. Not all chords will be used in every song.
