side 2

The purpose of "The NaCuHeal Concept" (Nature-Culture-Health Interplay) is to:

***Promote Health, Environment, Quality of Life and Welfare for all!***

**"Ecological economy - a project in Bodø2024 in collaboration with NaKuHel Akademiet"**

*“Thus ends the voyage under the seas. What passed during that night, how the boat escaped from the eddies of the maelstrom, I cannot tell. But when I returned to consciousness, I was lying in a fisherman’s hut, on the Loffoden Isles.”*

*From the book: “Twenty Thousand Leagues under the Seas” (Julius Verne 1932).*
