The 23rd Annual Swingin’ Fore Theresa Golf Outing and Gala Reception was held on Thursday, October 8th at the beautiful North Hills Country Club. Over 60 golfers enjoyed 18 holes in the crisp autumn weather! This year’s outing, like much of 2020, was different as a result of the global pandemic. However, golfers were in good spirits as they gathered, socially distanced of course, to raise money for programs in the arts and recreation for children with special needs.

The Theresa Foundation would like to thank the Golf Committee as well as all our sponsors and supporters. The fact that our golfers, sponsors, and supporters were steadfast in their support this year, regardless of the date change and limitations as a result of the pandemic, speaks volumes of their kindness and compassion. At times like these, knowing that there are others that embody generosity is humbling and inspiring.
The Theresa Foundation is honored to introduce the 2020 Fall/Winter Grant Recipients. Each of these organizations are dedicated to improving the lives of people with special needs. We appreciate all their efforts and are privileged to support them. The Theresa Foundation has provided $115,216 in grant funding in 2020! $71,984 was provided in the 2020 Fall/Winter grant cycle. This would not be possible without the unwavering support from our donors. We appreciate and need your ongoing support, and our commitment to you is that we will continue working together to support programs in art, music, dance, drama, and recreation for children with special needs.

TAPA@ Grant Recipients
