**CRUZ SAFETY BAR**

OPTIONAL ACCESSORY *(Sold Separately)*

---

**STEP 1.1 PLUG HOLES IF NO CUP HOLDERS**

Pre-Assemble Safety Bar. Cap holes with plastic plugs (A) if Cup Holder Kit is not used. If a Cup Holder Kit is used, do not cap.

---

**STEP 1.2 INSTALL CROSS BAR**

Mount Cross Bar to Safety Bar for your specific make/model car as shown. Cap the unused holes with plastic plugs (A).

**NOTE:** Cap the unused holes with plastic plugs.

---

**STEP 1.3 PLUG HOLES IF NO CUP HOLDERS**

Install the Safety Bar brackets using (C) on the top and (D) on the bottom. The nuts install on the Bracket side.

---
