website in PDF format so you can plan ahead.

to stay updated.

LINE ETIQUETTE

Based on previous years - people will jump in line a couple
hours before we open, so staying locally and
arriving early is a good idea.

This year our line runs from our door to outside Bar Yuki -
just follow the markers and signage.

Your place in line only counts if you are there physically aka
no queue jumping - we like good vibes & fairness :)

This year our friends at Bar Yuki will be offering their space
for customers to enjoy breakfast from 8am.
