DIFFERENCE COFFEE

The worlds rarest coffee, sourced from legendary estates, rare varieties and coffee competitions.

Hawaii Kona, Hawaii Queen Coffee

8

Every November the Kona Coffee Cultural Festival ensure that the Kona Coffee's 200-year -heritage continues to be shared. The festival features 10 days of festivities, attracting Hawaii's most sought-after estates to compete for the title. Hawaii Queen Coffee has been the most coveted estate in the competition for the past decade, its smooth and rich with dark chocolate flavours and delicate acidity a timeless classic for lovers of strong coffee.

Wild Kopi Luwak, Gayo Estate

12

Kopi Luwak is often referred to as 'the world's most expensive coffee' it derives its name from the Indonesian civet cat. The Luwak cat selects only the most perfectly ripened berries and one of the reasons why wild Kopi Luwak is so prized. In addition, the consumption of these berries begins a unique process that uses the Luwak's natural enzymes to remove any bitterness from the bean. This results in a coffee full and creamy in body, yet low in acidity, with a dark chocolate and cedarwood undertones and a bittersweet finish.

Guatemala, Swiss Water (Decaf)

7.5

Decaffeinated using the chemical-free Swiss Water Process. The high-altitude blend of Catuai, Caturra and bourbon encompasses those classic Guatemalan traits; Sweet, aromatic and well-balanced notes of blood orange, raisin and milk chocolate.

Any of our speciality coffees can be tailored to your liking such as cappuccino or latte. All our coffees are served with petit fours.

RARE TEA

The world's best loose leaf tea sourced directly from farmers and their tea gardens.

In conjunction with Rare Charity a portion of every sale helps offer access to education for talented people from marginalised tea communities.

Single Estate English Breakfast – Lost Malawi 4.5

Satemwa Estate, Shire Highlands, Malawi

Hand crafted black tea blended from harvests across a small, independent estate in the Shire Highlands. The oldest tea estate in Malawi and still family run.

Deep, rich, and malty, it has notes of caramel and burnt sugar. Delicious black, becoming sweet and chocolaty with the addition of milk.

Earl Grey 4.5

Satemwa Estate, Malawi & Reggio Calabria, Italy

A traditional Earl Grey blended with pure bergamot oil from the ancient orchards of Calabria. This is a classic British tea made to exacting standards. A clean and exceptionally bright infusion with exhilarating citrus notes. It can be enjoyed with or without milk, or a twist of lemon zest.

Rare Mint Tea 5

England, Portugal & Malawi

A beautifully balanced blend of some of the rarest mints from across the globe: combining pure leaf from a C14th Cornish Botanical Garden, a family farm in Beira Baixa of Portugal and small holder gardens in the Shire Highlands. This caffeine-free herbal infusion is the perfect digestif.

Nepalese Himalayan Spring 8.5

Jun Chiyabari Tea Garden, Nepal

A hand rolled Nepalese green tea from Jun Chiyabari that truly exemplifies the idea of terroir. This early Spring pick originates from one specific field, one specific harvest.

Tropical fruit; mango, cooked pineapple, and lychee notes yet low in acidity.
