## FAUNA TOWEL BAR

### Dimensions

3.8" H x 21.3" W x 3.5" D

### Finishes

Inspired by the mountain ranges in Lauterbrunnen, Switzerland, glimpsed on a golden hour hike, the FAUNA Towel Bar embraces all that is natural. As the illuminated range peaked over meadows of wild flowers, the FAUNA Towel Bar took shape: feminine, timeless, strong and organic. It features a branched base that affixes to the wall with a delicate curve. Pair with the FAUNA Toilet Roll Holder and Wall Hook to complete the look. Crafted with a living finish that ages and changes with the seasons.
