Overview

The government provides Sports Premium to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school headteachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Schools must spend the additional funding on improving their provision of PE and sport, but they have the freedom to choose how they do this. At Diggle Primary School, we aim to inspire all pupils to feel confident performing and competing in a range of physical activities, in order that they may pursue a healthy and active lifestyle. This funding is aimed at improving the quality and breadth of PE and sports provision in school and increasing levels of pupil participation and activity. We have carefully planned the use of this funding to ensure the effective, sustainable delivery of high quality PE and sports provision within our curriculum and through a variety of out of school clubs.

Objectives

- To improve the provision in PE and sport within the school's curriculum for Physical Education
- To improve the quality of teaching and learning in PE and sport
- To increase pupils participation in PE and sport
- To raise standards of achievement in PE and sport for all pupils
- To make use of qualified expertise to support and promote the teaching of PE and sport
- To develop active learning and a healthy lifestyle · To develop outdoor active learning Strategies
- We will use the funding for paying for professional development opportunities for teachers in PE and sport in a sustainable fashion this CPD will include buying in quality assured professional development modules or materials for PE and sport
- Where it is appropriate we will consider hiring specialist PE teachers or qualified sports coaches to work with teachers when teaching PE
- We will look for strategies of supporting and engaging the least active children through new or additional provision including where available Change4Life
- We will look at the possibility of using funding to provide additional PE and sport activities including running sport competitions, or increasing pupils' participation in the Oldham School Games
- We will look at possibilities for purchasing equipment for new provision
- We will look for opportunities for pooling the additional funding with that of other local schools to build joint provision or to share sports staff and facilities.

- We implement the daily mile
- We will ensure that 15 minutes of classroom learning each day is active

In 2021-22, our school was allocated £ 17477

This funding was spent as follows:

City in the Community £ 6715

Sports Equipment £ 350

Forest School co-ordinator £ 11523

Forest school resources £ 720

Daily Mile Track upkeep and repairs £100

Total Spend - £ 19408

Outcome

- A high number of children participate in sporting activities at school. A wide range of school sports activities were offered to pupils throughout the year, Covid impacted on the ability to provide extra curricular activities, especially in the autumn term.
- School staff have worked with sports coaches, continue to enhance their own knowledge and skills, which they can use to deliver outstanding PE lessons
- Updated games equipment purchased in order to deliver good quality games lessons. Children are enthusiastic about sports and PE. They are encouraged to challenge themselves and there are links to sports clubs in the local community.
- Children now complete 30 active minutes a day and assessment shows that children are improving their number of laps and times in the daily mile.
- Forest School activities now run through-out school 5 afternoons a week. This is engaging many children in physical activity who do not enjoy traditional sport.
