232

Retail Price

\$45.00

This is one of those wines that started its life as a potential blender and quickly demanded its own bottle. The wine embodies precisely what we hoped to achieve: the ideal Cabernet Franc character of lavender, rose petal, herbs and blue and red fruits, along with the generosity and richness that Walla Walla can bring. Nestled in the beautiful Blues, Blue Mountain Vineyard is one of the coolest sites in Walla Walla Valley, and our Cabernet Franc benefits from this lovely environment.

**Alcohol 13.3% | pH 3.92
TA 5.7 g/L | Residual Sugar 0.15 g/L**
