Letter from the **FOUNDER**

Friend,

What a season... what a big God who has big dreams for his daughters.

Bringing freedom is our sweet spot, exposing women to “more” is an even sweeter spot for us as a ministry. While the world and ministries have been severely impacted in the last three years, I truly believe we have broken new ground that we could not have plowed any other way. The expansion we have experienced was prayed for but it's always shocking how BIG He really is. Our giving has exploded, miracles we thought only happened in other countries happened in our midst and people from every state are looking to us as a beacon for the widow. It is our greatest honor. We are ready for what He says is next... fruitful kingdom expansion is the only goal. We are at a place of spiritual rest and we are ready to show women and widows care, comfort, and curriculum that changes their futures forever.

We are grateful to God for our amazing team, for YOU, and for the burning fire of transformation that we want to release in every woman's heart on earth. May we walk forward changed forever and in a posture of pure gratitude.

BE STILL *ministries*

Be Still Ministries exists to inspire women to fully embrace their freedom in the finished work of Jesus Christ and to rest in their identity as beloved daughters of a good Father.

Our vision...

Our vision for Be Still Ministries is to create tools and opportunities to reach women all across the world through engaging curriculum, local gatherings, and conferences. Despite our locational limitations, we are committed to creating a culture of intimacy for every woman to experience.

accomplishing THE VISION

To accomplish our vision, we operate several programs under the umbrella of Be Still Ministries. **Never Alone Widows**, is our outreach for widows. **Widows of Heroes** is a branch of Never Alone Widows, specifically serving widows of military and first responder personnel. **Father's House** is both an individual and group study developed for women looking to go deeper in their intimacy with God and experience the Father's heart.

Our mission...

Be Still Ministries

The mission for Be Still Ministries is to create opportunities through gatherings, worship events, curriculum, digital media, and podcasting for women to hear testimonies and teaching, receive healing prayer, and experience the freedom of the Gospel of Grace.

Never Alone Widows

The mission of Never Alone Widows is to create opportunities for healing, connection, and community for the widow through intimate retreats, a national conference, nationwide local chapters, online resources, and an aftercare program to meet her ongoing needs.

How it WORKS

As a team, we're limited by our location and the ability to create a culture of intimacy for our retreats. However, we can create the tools and opportunities to reach women all across the world through engaging curriculum, local gatherings, and conferences.

We create environments and tools so that women can fully embrace their freedom as *lavishly* loved daughters who release the kingdom on earth as it is in heaven by...

EVENTS

To give women a space to encounter Jesus— where testimony, song, and prayer always point to His finished work.

TEAM

A team of world-changers. No one outworks a mission this big alone.

MISSION

A clear mission in order to care for every need of the widow, both mental and physical.

CELEBRATION

Constant opportunities to celebrate the testimony of God's outworking in our lives.

OUR WORK

is possible because of you...

through your SUPPORT

Be Still Ministries increased giving by 40% from 2021 to 2022, exceeding our 2020/2021 budget plan. All because of *you*.

As we continue to grow...

There are 2 new initiatives that we're very excited to launch in the coming year.

We've had the great opportunity to grow our team exponentially since our start. Stewarding a growing team well means developing an even more solid foundation of leadership for our volunteer local leaders and our local Be Still gatherings. We are working towards achieving this goal through the main initiative, which is and will always be prayer training (the hallmark of Be Still Ministries) and through leadership development.

In the looking back at everything this team was able to accomplish in 2022, we're more committed than ever to being continually **intentional** and **impactful** as we look to the future. We believe that as we operate in excellence for the kingdom, honor will be given to God, our team, and the women we serve in the very best way.

Be Still Ministries is built on the principal of **resting in the finished work of the cross**. A great hope of this ministry is that our work and output will reflect that principal well. We are full of excitement and expectation over these two initiatives for widows and for the everyday woman!

The road ahead... WHERE WE'RE HEADED
