

THE GOURMAND GALA

benefitting Culinary Care

Celebrating a decade of nourishing cancer recoveries

Culinary Care is a nonprofit organization filling plates with good food and hearts with hope, happiness, and community - essential ingredients everyone needs for the best chance at surviving cancer.

10 years.

30,000+ free meals delivered.

100,000+ caring phone calls provided.

Delivering hope.

"I've never experienced such nurturing in my life. If it weren't for you, I don't know if I'd be standing here today." - Rhonda Dean

We met Rhonda walking through the hospital in tears. She was in a dark place, questioning why she should keep coming to treatment.

We offered her a meal and a friend, which changed her outlook on life. She had something to look forward to during treatment and knew people cared about her living.

That is the power of Culinary Care. It's much more than a meal. It's a reason to keep living.

When we come together,
we can make a bigger
impact than any single
person can do alone.

The Gourmand Gala brings together more than 500 kind-hearted humans committed to improving the quality of life for families fighting cancer.

30+ chef stations.
Casino tables.
Craft cocktails.
