Brothers,

There is a lot that we would like to share with you this year and it is both bitter and sweet. This year marks the 10th Dr. David Flowers Homecoming Dinner and Psi Chapter Endowed Scholarship Fund Banquet. This means we lost our line brother ten years ago. We will spend homecoming, as we always do - remembering him, channeling him and trying to live up to his antics! Dave, we miss you and love you LB.

This is the 40th anniversary of My Dad's 9, our Big Brothers. What memories we have with them, both pre and post Omega. As is the way our pledging works, a large part of us, is what they instilled in us. Thanks and Happy Anniversary. We owe so much to My Dad's 9.

Then there is our endowment with a market value on June 30, 2017 of \$330,307! What an accomplishment. We remember when in grief we wanted to give Psi Chapter an everlasting legacy – the Psi Chapter Endowed Scholarship Fund. And to remember Dave we named this annual dinner meeting of the fund after him. We remember our first official meeting at a private room at Paschal's when we pitched the idea to the bruhs, and Ronald Vincent "Mouse" Powell, our granddad, gave the first \$1,000. RIP Mouse. Then Ferg found out about \$25,000 that was donated to Morehouse in Brother Dorsey Miller's name. Will got in touch with Dorsey and he had the funds moved to the endowment. That \$25,000 gave us the boost we needed. Reaching the \$100,000 endowment level and then awarding our check to Morehouse was a milestone for Psi and Morehouse. We know many bruhs thought the idea was crazy, and we know when we issued the goal of \$1,000,000 by our 100th, you were sure we were crazy. We will get there one day. However, we now believe we can get to \$500,000. Brothers we can do it! \$500,000 by 2021!

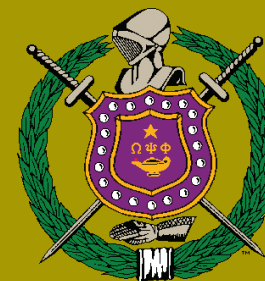

Finally, as we look to our 100th anniversary we have already started to work closer with Jaih and the golf tournament. We want to start planning and using the next few homecomings as dry runs for the 100th. We are excited to see leadership from Brother Daryl Douglas for the tailgate for old bruhs, and would like to incorporate that into our annual homecoming lineup of events. Soon we want to be able to use the website for information and payment. We want to get all of our ideas for the 100th on the table, pick the best, set a budget and get to work, so that once again we will set the standard for Omega and Morehouse.

If you are interested, please let us know as we formalize a committee of doers to make our 100th EPIC.
