Brothers,

Anniversaries! They are special times for a line and for a chapter. Happy Anniversary to all of the lines that are celebrating this year and to our beloved Psi Chapter – 97 years and counting.

As The Clone Ten has been planning for our 40th, it has been interesting. We actually have planned more than ever before. I guess that is what you do as you get older. But, the personalities do not change. It has been fun hearing those collective voices each week - the “discussion”, the opinions, the jokes and the laughs. Some things in life are hard to explain. How young men from varying backgrounds, different parts of the country, different circumstances and interests, have one thing that brings them together – Morehouse. Then from that auditorium full of young men, that look left and look to the right, something else is brewing. Some see another light, maybe because of a family legacy (granddad, dad, brother, uncle), or someone in their community, for some it's the guys they meet at Morehouse, or it's the men they saw on the hill with the brightest light. Many were drawn to that light, not all were chosen, not all finished. But those who did, entered another circle – Omega. And the door to Omega was Psi Chapter! Those lucky and determined men became part of The Greatest Fraternity and The Greatest Chapter! Our bond is deep. Morehouse Omega Psi Phi.

We must take every opportunity to deepen, renew, and grow our unique bond. Homecoming and anniversaries are those times. We enjoy, remember, eat, drink, laugh and pause – we are all blessed. We, The Clone 10, plan to do that and more! This evening has been our “concept”, we'll add a little “monkey” to it and our 40th will be complete as we finish our 8th anniversary cycle. In our pause, we say thanks to our wives, and our children. You have supported for all these years. We are family.

As we talk about our Psi's 97th anniversary and our 100th we think about the legacy of the current Brothers of Psi Chapter. What legacy will we leave at the 100 year milestone? What will be talked about 100 years from now? Will it be the individual accomplishments of a few extraordinary Brothers? We're sure some names will be remembered. Will it be accomplishments of some lines? Maybe. But we believe our greatest chance for a legacy will be what we've started and why we're here tonight. It's the one thing that will outlive every living Psi Chapter Brother. The Psi Chapter Endowment will be here speaking for us 100 years from now. The number of young men that we will have uplifted as they pursue their scholarship, and the total amount that will have been awarded will be unbelievable. Brothers, as of September, we believe our Psi Endowed Scholarship Fund was worth \$400,000! We are confident that we will reach at least \$750,000 by our 100th anniversary. We believe we can get to \$750,000 and we still believe will all oars in the water, we can reach \$1,000,000.

We also believe it's time to be open to our Brothers who have two bonds with us. First, they are Morehouse Brothers, and now they are Omega Brothers. We hope we can figure out a way to let those two bonds bring us together. They'll never have all three, but two is still greater than one. As with line Brothers and Chapter Brothers, not all stay bonded, but we shouldn't close the door on anyone.

There is a lot of work on many fronts to keep Psi Chapter – the G.O.A.T. Not the least of which is our 100th. As you know, Gerald “Cisco” Brown is taking the role of coordinating the components of the 100th anniversary. If you are willing to work, Psi Chapter needs your help. Contact any of us and we will get you to Cisco.

Thanks to every Brother who has ever donated to the Psi Chapter Endowed Scholarship Fund.

2021: 100 years of Psi.
