October 2019

October 2019

Brothers,

Welcome home again! Yes, that word has real meaning for our family. This place — Morehouse, Atlanta, Omega, Psi — this is where we all became family. This is a special yearly reunion, and as I have spoken to many of you over the last few weeks what I hear most was, “I can’t wait. I need this break. This recharges me for another year.” So as you can imagine writing this letter is a special joy for me each year. It marks the countdown to homecoming! We all know that feeling. It is also a time to for me to reflect about last years’ banquet, and to think about all we have to do. Sorry J. Monds for the two to three calls every day for two weeks! It’s also a time to think about our giving leadership and all that we have accomplished.

Our historian and statistician, John Monds, told me that October 2018 to September 30, 2019 was our best fundraising year ever. **We raised \$51,000!** Congratulations and thank you to each and every donor! I look forward to thanking you in person.

As we approach our **Chapter’s 100th Anniversary** we should all be excited about what we are bringing to our 100! We have an established golf tournament in honor of Brother Rodney Brown that has supported the children of young Brothers who have joined Omega Chapter. Thank you to Jaih Jackson for your leadership.

We have endowed a scholarship fund at Morehouse College, and we have grown it to over \$400,000. We have awarded over \$50,000 to 24 young Morehouse Men. Sixteen of these young men are also Psi Chapter Brothers. We have inspired the Alphas, Kappas, Sigmas, and our Sisters — Deltas and AKAs to do the same. We hope that each will grow their endowments to match ours.

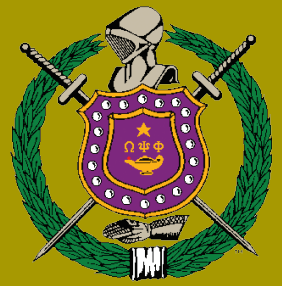

Along with the endowed fund and the awarded scholarships, we have two new initiatives that I believe will set the structural framework for our next 100 years. Dr. Glen Cherry has led the charge and formed the **Morehouse College Alumni Chapter of Omega Men**. This is a governing body to support our service to both Omega and Morehouse. It is a big step for us that will increase the synergy and energy needed for us to grow our support of Morehouse, to grow our fellowship across generations, and encourage us to work together in charitable and business endeavors.

Many of you attended the Psi Retreat this April in Atlanta. Thanks to all of the Brothers — Darrell Crawford, Spencer Humphrey, Mike Free, Chris Wade and Gerald Brown — who brought us together for a weekend of fellowship and business. I know are already planning another retreat with more Brothers for more progress and fellowship. Thanks to this group we now have a yearly working weekend.

As you can see we have much to be thankful for and plenty of work to keep us busy as we do our part to make a difference. We need your help Brothers to accomplish all that is possible.

Enjoy your time together, stay safe and long live Psi Chapter Please give of your treasure, talent and time as we march to 100 Years of Greatness.

2018-2019 Anniversary Line Giving Battle

2018-2019 2ND PLACE
ANNIVERSARY GIVING LINE
BOON 18

What a great year for giving!

Two of our greatest lines, the Ly-On 9 and the BOON 18, battled to give the most and the numbers are close. As of September 30, the Ly-On 9 had the lead by \$1.60 per man. Then the BOON 18 asked for an extension until October 15th so they could continue the battle and the LY-ON 9 accepted the challenge. So although the September 30th numbers are official for the fiscal year, this year's winning line is honored with this full page tribute. See opposite page.

Congratulations to both lines. This is Psi Chapter at its best having a friendly competition between two great lines where they are both winners and tops on my list because young Men of Morehouse are the real winners! Thanks to the **BOON 18** and the **Ly-On 9** for showing how anniversary lines party with a purpose!

Which line is up to follow these Brothers next year?

Psi Summit

Psi Chapter Summit Weekend was held April 12-14th. It was our Inaugural Psi Weekend and we had over 100 Psi brothers participate. The weekend consisted of a Chapter only fellowship, a community service project, picnic and a pickup basketball game. The committee for Psi Weekend ranged from Brothers initiated from 1978 through 2011.

At the chapter-only fellowship we discussed topics such as young-bruh/old-bruh engagement, reclamation, status of the yard, the alumni association and the 100 year celebration. Jai Gilyard ('96) led an excellent team builder exercise in relation to the young-bruh/old-bruh engagement and effective communication. Darrel Crawford ('11) spoke to the importance of reclaiming bruhz and why its important to serve the local chapters. Nyles Fleming ('17) gave the update from the yard. While Gerald Brown ('78) spoke to the 100 year efforts and the need for a Morehouse Omega Alumni association. The Psi fellowship closed out with brothers building relationships and reminiscing.

The community service project was held at the Covenant House — a teenage homeless shelter where the brothers mentored, beautified and repaired some of the equipment at the facility. Once the service portion of the day concluded, the brothers had a massive picnic and fish fry held at Washington Park that was open to the community. We could not close the weekend without the Brothers adding some cardio, so on Sunday the brothers returned to the Covenant house and played basketball and enjoyed a small brunch.

Please keep in mind that **Psi Chapter Weekend will be an annual event** held every spring in the month of April. The next tentative date will be **April 17-19, 2020**. some of the topics on hand will be:

1. Sexual Assault and Consent
2. Old Bruh/Young Bruh Engagement
3. Getting Financial -Omega and Morehouse
4. Psi Endowment
5. Psi Centennial/ Plot
6. Investment Opportunities
7. Brother are you Ok? A discussion on mental health/physical health
