New Zealand Mobility Parking Permit application form for overseas visitors

What is a Mobility Parking Permit?

Mobility parking spaces

As a Mobility Parking Permit holder you can park in designated mobility parking spaces. These are wider than standard parking spaces (making it easier to get in and out of a vehicle with a wheelchair or mobility aid), and are located closer to services and facilities.

Concessions in council managed parking spaces

Contact the relevant local council directly to find out what concessions apply where you are visiting. Concessions vary from region to region but sometimes include being able to park for longer than the stated time in council managed car parking spaces. This recognises that you may sometimes take longer to return to your vehicle. It is important to remember that council concessions do not apply in privately managed car parks. Your permit does not allow you to park illegally or to park for free where charges are indicated.

Your responsibilities

There are some responsibilities and rules you need to follow when using your Mobility Parking Permit.

1. Display your permit clearly.

Your permit is designed to hang from your vehicle's rear view mirror by using the built-in hook. Alternatively, you can display it on your dashboard, as long as the details are clearly visible from the outside of the vehicle.

2. Your permit can only be used by you.

The permit is issued to you, and a unique number and barcode is printed on it. Your permit cannot be used by another person. Mobility Parking Permits are issued to a person, not a vehicle.

3. Only use your permit if you need to get in or out of the vehicle.

If you, the permit holder, are staying in the vehicle, you must park in a standard parking space (not a designated mobility parking space), and the permit cannot be displayed. Notify us if your permit is lost or stolen. Let us know if your Mobility Parking Permit has gone missing so we can cancel that permit and issue a new one. There is a replacement fee. Abuse or breach of these rules can result in your permit being cancelled.

Permits no longer required by the permit holder need to be returned to CCS Disability Action.
