Tobias Grimm

Tobias Grimm is a Senior Manager Climate Risks and Green Tech at Munich Re of Australasia, Sydney. Currently he is leading the business development activities for Munich Re's Greentech Solutions in Australia and New Zealand. Tobias has a long background as Senior Expert for natural hazards, climate change and renewable energies. Over many years, he has been Deputy Head of Chief Climate Scientist for the Munich Re Group and contributed a lot to the Munich Re positioning on climate change. Tobias is with Munich Re since 2005. He holds a Master's degree in geography and applied meteorology from the University of Munich.
