Jono Soo

Jono offers in-house expertise in this growing risk area of Cyber. He has come from a background in liability insurance working with professional services firms

and both public and private enterprises across New Zealand. In recent years, Jono has handled various Cyber placements and keeps up-to-date on the rapidly evolving cyber threat landscape, understanding how quickly this risk area can change.

As a specialist Cyber head, Jono is responsible for providing specialist placement and risk management advice to clients that address their key cyber exposures. He has strong relationships with a range of local insurance carriers and works closely with them to continuously develop enhanced offerings for Marsh clients. Jono regularly contributes to developing thought leadership material, to educate both clients and colleagues to better understand cyber risk
