Jonathon Berry

Jonathon is a Principal Consultant at InPhySec Security Limited. He has a background in the NZ Army in telecommunications and electronic warfare. Upon leaving the military, Jonathon joined the GCSB reaching Assistant Director level and working in the outreach function, Centre for Critical Infrastructure Protection and later the National Cyber Security Centre. Jonathon started InPhySec with two other partners in 2015 and has worked there ever since, in governance, risk and compliance as well as physical security.
