

13th Annual Inglewood Open Studios

Inglewood Open Studios (IOS) is a nonprofit arts organization that centers itself in building a diverse, inclusive and resilient community through the arts. The IOS Board hosts an annual art walk as well as special events throughout the year including studio tours, artist talks, workshops and professional development opportunities.

Discover Inglewood's art scene on a self-guided tour of art studios and exhibition spaces throughout the city. Free bus transportation between tour locations is generously sponsored by the City of Inglewood. The IOS Art Walk is free to the public.
