

CAMP SHETEK

TWENTY TWENTY FOUR

CAMP THEME

In the heart of every individual is the question, do I belong? Am I accepted? Not only is this a common question to be asked, but it's also an important question that can be answered! We all have that longing desire to be valued, loved, and accepted. Everyone wants to belong to something greater than themselves. This emotional, spiritual, and relational longing is due to the fact that we were created in the image and likeness of God.

God, from the very beginning, has belonged to a loving family known as the Trinity. This trinity of God the Father, Son, and Holy Spirit reveals a perfect sense of love, relationship, value, and belonging. The Trinity, God's desire for a loving family, extends beyond the divine. He created humans in His image, intending for us to also form families that reflect His love.

However, we rejected God's love and His eternal family. Through our sin we became children of wrath. Yet, God's love is so great that He adopted sinners like us into His eternal family through the perfect work of His son Jesus Christ. As the head of the family, God is determined to love and heal His children to bring them home. While we await our eternal family home in heaven, God wants us to be part of a loving, earthly family called the church — a reflection of His big, universal family.

Even if your family or friends don't accept you, there's no need to abide in a spirit of fear and isolation. As Romans 5:18 states, you received God's Spirit when he adopted you as his own child — now you can call him, "Abba, Father!" When you recognize your need for Jesus, you are instantly accepted and now belong as a member in God's forever family. With God as our father and Jesus as our big brother, we are given examples of how healthy relationships can and will flourish — relationships that love each other, forgive one another, serve their fellow brothers and sisters, and begin to see the good in every image bearer of God.

This summer, come to Camp Shetek and enjoy your brothers and sisters of God's eternal family. Experience the love and acceptance of the Familia de Dios in a week-long fiesta! It will be a family reunion you won't want to miss!

CAMP EXPERIENCE

ABOUT CAMP SHETEK

Our beginnings go way back to 1948. Local area churches wanted a place for kids to grow in their personal relationship with Jesus. A camp by the lake seemed like the perfect spot. Located on the south side of Lake Shetek, our goal to this day is to provide a fun, yet peaceful getaway for young and old to grow in their knowledge of Jesus Christ and in their relationship with Him. We want to welcome all people of all faiths to come out to Camp Shetek for the purpose of knowing Jesus even more. Hope to see you at camp!

CABIN ASSIGNMENTS

Can campers choose their cabin mates? Absolutely! At 2:30 on Monday afternoon, soon after the campers are welcomed, campers will be directed to choose their cabin mates. Campers can create groups of 2, 3, or 4 friends to room in the same cabin. The cabin groups are also on the same team throughout the week. If a camper does not have any known friends attending camp, that is just fine as many kids come to camp alone. Our staff is very caring and will make sure everyone is able to make new friends on the first day.
