Diploma Divide Bibliography (updated as of 8/12/22)

This bibliography represents studies from political science, sociology, psychology, political philosophy, and media studies that I have found useful in understanding the diploma divide in American politics. If your work is not represented and you think it should be, definitely let me know. Also if you think I've overlooked something important! Many thanks.

Bargh, J. (2017, November 22). At Yale, we conducted an experiment to turn conservatives into liberals. The results say a lot about our political divisions. *The Washington Post.*

Bennett, J. (2021, April 15). Fewer jobs have been lost in the EU than in the U.S. during the COVID-19 downturn. Pew Research Center.
