

# Why Waldorf Works

*AN INFORMATIONAL EVENING*

## **Come learn about our school and farm!**

- Waldorf offers a developmentally aligned, experiential and academically rigorous approach to education where the arts are woven into all academic disciplines.
- **Learn about the why behind our literacy and math programs:** rooted in deep understanding of child development, the Waldorf approach fosters strong foundations that support lifelong learning.
- Hear about how our **farm and outdoor programs** offer a holistic learning experience that goes beyond academic knowledge, encompassing life skills, values, and a connection to the natural world.

**MONDAY, JAN. 29TH 5:00 - 6:30PM**
