Automatically Collected Information

Information about your computer hardware and software may be automatically collected by Innovative Properties. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Innovative Properties website.

Use of Cookies

The Innovative Properties website may use "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize Innovative Properties pages, or register with Innovative Properties site or services, a cookie helps Innovative Properties to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same Innovative Properties website, the information you previously provided can be retrieved, so you can easily use the Innovative Properties features that you customized.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the Innovative Properties services or websites you visit.

We encourage our users to be aware when they leave our site and to read the privacy statements of any other site that collects personally identifiable information.

Security of your Personal Information

Innovative Properties secures your personal information from unauthorized access, use, or disclosure. Innovative Properties uses the following methods for this purpose:

- SSL Protocol

When personal information (such as a credit card number) is transmitted to other websites, it is protected through the use of encryption, such as the Secure Sockets Layer (SSL) protocol.

We strive to take appropriate security measures to protect against unauthorized access to or alteration of your personal information. Unfortunately, no data transmission over the Internet or any wireless network can be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, you acknowledge that: (a) there are security and privacy limitations inherent to the Internet which are beyond our control; and (b) security, integrity, and privacy of any and all information and data exchanged between you and us through this Site cannot be guaranteed.

Right to Deletion

Subject to certain exceptions set out below, on receipt of a verifiable request from you, we will:

- Delete your personal information from our records; and
- Direct any service providers to delete your personal information from their records.

Please note that we may not be able to comply with requests to delete your personal information if it is necessary to:

- Complete the transaction for which the personal information was collected, fulfill the terms of a written warranty or product recall conducted in accordance with federal law, provide a good or service requested by you, or reasonably anticipated within the context of our ongoing business relationship with you, or otherwise perform a contract between you and us;
- Detect security incidents, protect against malicious, deceptive, fraudulent, or illegal activity; or prosecute those responsible for that activity;
- Debug to identify and repair errors that impair existing intended functionality;
- Exercise free speech, ensure the right of another consumer to exercise his or her right of free speech, or exercise another right provided for by law;

- Comply with the California Electronic Communications Privacy Act;
- Engage in public or peer-reviewed scientific, historical, or statistical research in the public interest that adheres to all other applicable ethics and privacy laws, when our deletion of the information is likely to render impossible or seriously impair the achievement of such research, provided we have obtained your informed consent;
- Enable solely internal uses that are reasonably aligned with your expectations based on your relationship with us;
- Comply with an existing legal obligation; or
- Otherwise use your personal information, internally, in a lawful manner that is compatible with the context in which you provided the information.
