PRESIDENT'S WELCOME

On behalf of the Canberra College of Piping & Drumming I extend to you all a very warm welcome to this our 12th Canberra Highland Gathering.

We have a very busy and entertaining program planned for the day. The solo piping and drumming competition and the ACT Highland Dancing Championships commence at 9am and run throughout the day. Opening massed bands will be at 10am after which we move into a program of day long entertainment around the ground. In the southern corner of the ground individual pipe band performances will run from midday until around 4pm.

Following the enormous popularity last year of the dog sports events, we once again welcome displays from the Canberra Sled Dog Club and the Tuggeranong Dog Training Club.

The Burns Football Club will run a soccer skills session, and A series of aged based Kilted Dash events - a very traditional element in Scottish Highland Gatherings - will commence at 1.30pm. The enormously popular Kilted Warriors - who have participated in every one of our Highland Gatherings - will once again be in attendance with their displays of Scottish heavy athletics events.

This year for the very first time we will be hosting the National Town Crier Championships. This will be the first time in the 36-year history of the event that it has been hosted in Canberra. We are excited about this addition to our program and is sure to be a highly entertaining event!

We also have in attendance an abundance of food vendors as well Scottish Clan Tents, market stalls and Scottish product and accessory specialist outlets.

All of this entertainment and the stalls comes with no entry fee to the ground. This reflects our philosophy that we want the Highland Gathering to be easily accessible to everyone who has, or may have, an interest in Scottish culture and associated activities.

A thank you also to our VIP guest for the day, Matt Anderson PSM, Director of the Australian War Memorial. Matt will officially open the Gathering at the opening massed bands and is our Chieftain of the Day.

A thank you to my organising Committee and the many other volunteers who have worked hard today and for many months in the lead up to make this day possible.

Each of you have made enormous contributions and you should be proud of what you have done to help build such a large and successful celebration of Scottish culture. Volunteers play a critical role in our community and today's event is just one further example of what volunteers do to help promote community wellbeing and social interaction.

Finally, if a full day of Scottish culture is not enough, please come and enjoy the fun and fellowship of a traditional Scottish Ceilidh being held in the evening at the Burns Club (opposite the Gathering Oval) from 7.30pm. Entertainment will be by "Humbug", one of Canberra's best known and finest Celtic music groups. Entry is free.

Thank you for your support, and "lang may your lum reek." (translated - "long life and prosperity")

PIPE BAND SCHEDULE

11:00am - Canberra Celtic Pipe Band

11:30am - Blacktown Pipe Band

The Blacktown City Pipe Band, originally established in 1975 as the St John's Ambulance Brigade Pipes & Drums, became affiliated with the City of Blacktown Council in 1985 and adopted its current name. The band has a history of competing in both national and international events and has recently seen competitive success, placing in all competitions over the past year. It actively participates in community and cultural events in Blacktown and across Sydney. The current Pipe Major is Glynn Potter, and the Drum Sergeant is Angela Merrilees. The band wears the Ancient Oliphant tartan and performs a range of tunes, including their Grade 4B competition sets.

Midday - Canberra College Pipe Band

Founded in 1999, the College promotes and teaches piping and drumming in the Canberra region. Over nearly 25 years, it has taught hundreds of students, hosted 14 workshops with world-class instructors, and now celebrates its 10th Highland Gathering.

In 2022, the learner program was strong enough to form its first-ever pipe band — the band you see performing today, made up of students and instructors of all ages.

The College is inclusive, welcoming learners of all backgrounds. If you're interested in learning pipes or drums, visit the College tent at the southern end of the grounds and chat with our team!

12:30pm - Bateman's Bay Soldier's Club Pipe Band

A Pipe Band sponsored by Batemans Bay Soldiers Club and for the community of the Batemans Bay and surrounding areas. The Band was reformed in 2015 after being disbanded for quite some years due to lack of interest and started with learners being taught by Rod Parker and Cameron Bell in January 2015 and the first engagement was Anzac Day 2015. The Band wears the tartan of Modern Elliott.

1:00pm - Canberra Burns Club Pipe Band

Canberra's oldest pipe band, the Canberra Burns Club, has been sharing Scottish music and tradition for over 80 years. With members from young learners to experienced players, the band performs locally and internationally, including the World Pipe Band Championships.

Currently competing in Grade 4A, they've played across Australia, the Asia-Pacific, and Scotland. Upcoming contests include the NSW State Championships (Nov 2025) and NZ Championships (Mar 2026).

1.30pm - Bundanoon Pipe Band

The Bundanoon Pipe Band is a relatively new community band based in Bundanoon in the Southern Highlands of NSW and is part of the Bundanoon Community Association. The band started meeting just prior to the pandemic. Virtually all of the members have only been playing pipes or drums since joining the band. The band uniform is the official registered Bundanoon Tartan.

PIPE BAND SCHEDULE

2:00pm - Canberra City Pipes & Drums

Wearing the City of Canberra Tartan, the band has performed at community and ceremonial events for over 30 years, including the Bundanoon Games and Canberra Highland Gathering. As the AFP Pipes and Drums, they support Australian Federal Police events and have played internationally, including the Royal Edinburgh Military Tattoo. They welcome pipers and drummers of all levels — connect via Facebook, and tag them in your photos today!

2.30pm - Illawarra Pipe Band

Formed in 1945, the Illawarra Pipe Band regularly performs across the region, from Sydney to Ulladulla, and at events like Brigadoon at Bundanoon. The band wears the Wallace Tartan and competes in Grade 4 of the NSW circuit. New members are always welcome — whether you're learning for the first time or returning to pipes or drums. Free tuition is offered at Wednesday night practices at the George Cross Falcons Centre, Cringila. Come along to get involved, either as a player or supporter!

3:00pm - ACT ESA Pipes & Drums

Affiliated with the ACT ESA since 2022, the band performs at community and ceremonial events including ANZAC Day, the Multicultural Festivals, and Highland gatherings like Bundanoon and Canberra. They offer professional, enjoyable performances and welcome new learners through their development group. Practices are held in Hume — Mondays for the full band, Wednesdays for learners. Interested? Chat with a member today to learn more!

3:30pm - The Highlands Pipes & Drums

Based in the Southern Highlands, the band was formed 26 years ago and continues to grow and improve. They welcome new members of all levels, with tuition available for beginner pipers and drummers. As a proud community group, the band regularly performs at events like ANZAC Day, Australia Day, competitions, festivals, and more — always committed to music and community spirit.

4:00pm - Sydney Thistle Pipe Band

Formed in 1918 by WWI servicemen, Sydney Thistle is one of Australia's longest-running pipe bands, proudly marching in every ANZAC Day since its founding — including the original Victory March. The band has won State and National titles and performs at competitions, festivals, parades, and community events. Known for its musical excellence and sharp presentation, the band plays both traditional and modern pipe band music, including original compositions. They wear the Farquharson tartan in both full regimental and modern dress.

SCOTTISH CEILIDH NIGHT

It is traditional at most Highland Gatherings that once the day's activities are over it's time for the Ceilidh. An evening to relax and enjoy the camaraderie and entertainment that is at the heart of Scottish cultural events. The Canberra Highland Gathering is no different. So at 7.30pm on Saturday night 11 October the Ceilidh kicks off at the Canberra Burns Club, our naming rights sponsor. The band for the evening will be Humbug, one of the very best folk music bands in the Canberra region. There will also no doubt be some impromptu highland dancing and bagpiping. Entry is free. For those of you thinking you may have a meal at the Club pre the Ceilidh, one option is a sit down meal at the Club's famous Star Buffet venue. Bookings however will be essential. Or you can choose bar snacks such as pizza, chicken wings etc which will be on sale throughout the evening.

We look forward to seeing you at the Ceilidh!
