The word "Check" means those checks that are not classified as prohibited. To the extent applicable, read singular pronouns in the plural.

SERVICE

The Service is designed to allow You to initiate the deposit of Checks remotely to Your share draft/checking account(s) from home or other remote locations through the use of an internet connection, and the designated Software and Hardware.

Describe Software & Hardware Requirements

To use the remote deposit services, you must obtain and maintain, at your expense, compatible hardware and software. The credit union is not responsible for any third-party software you may need to use the remote deposit services. Any such software is accepted by you as is and is subject to the terms and conditions of the software agreement you enter directly with the third-party software provider at time of download and installation.

You acknowledge and agree that any transaction You make pursuant to this Agreement and the Service is not an Electronic Fund Transfer as that term is defined in the Electronic Fund Transfer Act (15 U.S.C. § 1693 *et seq.*) or Regulation E (12 CFR 1005.1 *et seq.*). You further acknowledge and agree that the Software and Hardware used must capture an image of both the front and back of each Check to be deposited in accordance with the procedures outlined in this Agreement ("Procedures"). After capture of the front and back images and all other required data and information from the paper Check, You will transmit, via the internet, the requisite images and all other required data and information from or pertaining to the Check to Credit Union or Processor using the required Software and Hardware. Subject to compliance with the terms, provisions and conditions of this Agreement, Credit Union will provisionally credit the account or accounts designated by You for the amount of the deposit(s) on the business day following the business day of the deposit, and will enter the images of the Checks into the collection process in accordance with the provisions of Credit Union's deposit account agreement pertaining to the account(s) into which a deposit is to be made, and this Agreement.

ACCEPTANCE

Your use of this Service constitutes Your acceptance of this Agreement. This Agreement is subject to change from time to time. We will notify You of any material change via e-mail, text message, or on Our website by providing a link to the revised Agreement or by an online secure message. If required by this Agreement or by applicable law, notice will be given not later than the applicable required number of days in advance of each such material change. You will be prompted to accept or reject any material change to this Agreement the next time You use the Service after the Credit Union has made the change. Your acceptance of the revised Agreement along with the continued use of the Service will indicate Your consent to be bound by the revised Agreement. Further, the Credit Union reserves the right, in its sole discretion, to change, modify, add, or remove portions from the Service. Your continued use of the Service will indicate Your acceptance of any such changes to the Service. No changes requested by You shall be effective unless received and agreed to in writing by Credit Union.

Should You fail or refuse to pay any charges under this Agreement, You agree to pay all costs of collection, including reasonable attorney's fees, that may be incurred by Credit Union. In addition to the Service fees, You agree to pay all taxes, tariffs and assessments levied or imposed by any government agency in connection with the Service, this Agreement,

and/or the Software or Hardware. You are also responsible for the costs of any communication lines and any data processing charges payable to third parties.

Credit Union reserves the right to amend the Procedures, with or without prior notice to You. You acknowledge, understand and agree the security procedures are not designed for the detection of errors. Credit Union is not, and will not be, obligated to detect errors by You or others, even if Credit Union takes certain actions from time to time to do so. To ensure accuracy, You shall key the amount of each Check prior to transmitting the deposit in accordance with the Procedures. You may send multiple deposits to Credit Union or Processor throughout the day, not to exceed the deposit limits set forth in the below provision titled Deposit Limitations.

Each Image of a Check transmitted to the Credit Union through the use of this Service must be legible, as determined in the sole discretion of the Credit Union. FEES

A fee may be charged for this Service. You are responsible for paying the fees for the use of this Service. Any fee that is charged will be disclosed in an accompanying fee schedule provided concurrent with or prior to Your receipt of this Agreement. The Credit Union may change the fees for use of this Service at any time pursuant to the section above titled "Acceptance." You authorize the Credit Union to deduct any such fees from any Credit Union account in Your name, even if such deduction causes an overdraft in that account.

DEPOSIT RECEIPT AND NOTIFICATION

You agree that You shall be solely liable for, and Credit Union shall not have any liability whatsoever to You for, any deposit or the Images or other information contained therein that are not received by Credit Union or for deposits or the Images or other information contained therein that are intercepted or altered by an unauthorized third party or dropped during transmission. You agree that Credit Union has no obligation to accept a deposit and, therefore, We reserve the right to reject any deposit or the Images or other information contained therein transmitted through this Service, at Our discretion, without liability to You. Credit Union has no obligation to notify You of the rejection of a deposit or the Images or other information contained therein and shall have no liability to You for failing to do so. You agree to accept an electronic notification regarding the status of Your transmitted deposits or the Images or other information contained therein, including any notification of holds placed on the deposit or any Image contained therein. A deposit is considered received by Credit Union when a complete copy of the deposit has been written on a Credit Union electronic storage device in conformity with Credit Union's technical and operational requirements. To meet the Cut-Off Time (as defined below), the deposit must be received by Credit Union prior to the Cut-Off Time and successfully pass the edits for conformity with the technical requirements. For purposes of determining when a deposit has been delivered and received, Credit Union's records shall be determinative. Upon receipt of a deposit, Credit Union will send a confirmation that We have received the deposit. Your receipt of such confirmation does not mean the transmission was error free, complete or will be considered a deposit and credited to Your account.

Upon receipt of a deposit submitted by You, Credit Union may examine such deposit and the Images and other information contained therein to ensure that You have complied with this Agreement and followed the Procedures. If Credit Union determines that You have not complied with this Agreement or followed the Procedures or if errors exist in the Images or other information contained in the deposit, Credit Union, in its sole discretion, may either reject the deposit or elect to correct the error and accept and process the corrected deposit (a "Corrected Deposit"). As a form of correction, Credit Union may credit Your account for the full amount of the deposit and make any necessary adjustments to the account to correct the error. Credit Union may, at its sole and exclusive option, also perform a risk management analysis of one or more deposits submitted by You to detect potentially fraudulent Checks, and, in its sole discretion, Credit Union may reject any such deposit or the Images or other information contained therein. If, after examination of a deposit and the Images and other information contained therein, Credit Union determines that You have complied with this Agreement and processed and transmitted the deposit in accordance herewith and with the Procedures, the Credit Union shall accept the deposit for deposit to Your account. Notwithstanding the fact that the Credit Union has accepted such a deposit for processing, any credit made to Your Account will be provisional, and You shall remain liable to Credit Union for any errors, inaccuracies, breach of warranties and any other loss sustained by, or claim made against, Credit Union.

AVAILABILITY OF FUNDS.

You agree that deposits transmitted using this Service are not subject to the funds availability requirements of Regulation CC (12 CFR 229.1 *et seq.*). For purposes of this Agreement, every day is a business day, except Saturdays, Sundays and Federal Holidays. Deposits received on a business day that We are open will be considered to have been received on that day, whereas deposits received after We are closed will be considered received on the following business day We are open. Credit Union reserves the right to change the time, and any such change shall be effective immediately and may be implemented prior to Your receipt of notice thereof. You may contact Credit Union at any time to verify the time that is currently in effect. Upon acceptance of the deposit, Credit Union shall provisionally credit to Your account the total amount of the Corrected Deposit or the accepted deposit, as applicable, all of which means that the credit is made to Your account subject to final payment of the Checks and subject to the Credit Union's account agreement, account disclosures and any other related documents and disclosures. Our policy is to make funds from Your deposits available to You on the 9th business day after the day We receive Your deposit. Even after We have made funds available to You and You have withdrawn the funds, You are still responsible for any Checks You deposit and that are returned to Us unpaid, and for any other problems involving Your deposit.

LAWS, RULES, AND REGULATIONS

You agree to comply with all existing and future operating procedures used by Credit Union for processing of transactions. You further agree to comply with, and be bound by, all applicable state or federal laws, rules, regulations, orders, guidelines, operating circulars and pronouncements, affecting checks and drafts, including, but not limited to, all rules and procedural guidelines established by the Board of Governors of the Federal Reserve and the Electronic Check Clearing House Organization and any other clearinghouse or other organization in which Credit Union is a member or to which rules Credit Union has agreed to be bound. These procedures, rules, and regulations (collectively the "Rules") and laws are incorporated herein by reference. In the event of conflict between the terms of this Agreement and the Rules, the Rules will control.

PRESENTMENT

The manner in which the Images are cleared, presented for payment, and collected shall be in the Credit Union's sole discretion subject to the Rules and Credit Union's account agreement, account disclosures and any other related documents and disclosures. Credit Union, in its sole discretion, shall select the clearing agents used to collect and present the Images, and Credit Union's selection of the clearing agents shall be considered to have been designated by You.

MAINTENANCE AND DISPOSAL OF TRANSMITTED CHECKS

You shall clearly and legibly mark the original check "Processed" after You have completed the process of scanning the Check in accordance with the section of this Agreement titled Endorsements And Procedures. Upon Your receipt of a confirmation from the Credit Union that We received Your transmitted Image, You agree to securely store the original Check for a period of fourteen (14) calendar days from the date of the Image transmission. During said fourteen (14) day period, You shall take appropriate security measures to ensure that:

During the retention period, You agree to promptly (but in all events within five (5) business days) provide the original Check to the Credit Union upon request.

DEPOSIT LIMITATIONS

We may establish limits on the dollar amount and/or number of Check Images or deposits from time to time. If You attempt to initiate a deposit in excess of these limits, We may reject Your deposit. If We permit You to make a deposit in excess of these limits, such deposit will still be subject to the terms of this Agreement, and We will not be obligated to allow such a deposit at other times. RETURN OF CHECKS AND CHARGEBACKS

If any Check deposited by You is dishonored or otherwise returned unpaid by the drawee, or returned by a clearing agent for any reason including, but not limited to, issues relating to the quality of the Image, You understand and agree that since You either maintain the original Check or have destroyed the original Check in accordance with the Maintenance And Disposal Of Transmitted Checks section of this Agreement, the original Check will not be returned and that Credit Union may chargeback an image of the Check to Your account. You further understand and agree the image may be in the form of an electronic or paper reproduction of the original Check or a substitute check. Unless otherwise instructed by the Credit Union, You agree not to deposit the original Check if an Image or other debit as previously described is charged back to Your account. We further reserve the right to chargeback to Your account at any time, any Check We subsequently determined was a Prohibited Check. You agree the Credit Union is not liable for any loss, costs, or fees You may incur as a result of Our chargeback of a Prohibited Check.
