March 18, 2024

To Whom It May Concern:

On March 16, 2024, 25 Lakeland DECA students qualified to attend the International Career Development Conference in Anaheim, California. DECA is a marketing and business association for high school students. DECA prepares emerging leaders and entrepreneurs in marketing, finance, hospitality and management in high schools and colleges around the globe.

Providing full financial support for each student is not possible. Therefore, we must count on community leaders and businesses to help us in our efforts to provide a better-quality education to the student in the area. We respectfully request your sponsorship of this event at any one of the levels described on the attached sponsor form that you feel is appropriate for you or your firm.

As a thank you for your generous donation, your company name will be listed on the back of the Lakeland DECA International Career Development Conference T-shirt.

A receipt, along with a thank you card from the students will be provided. Please make checks payable to Lakeland High School.

Thank you for your generous contribution!

Sincerely,

Lindsay Rubin Lakeland DECA Advisor
