Swiss Semester has been changing students’ lives for over twenty years! Swiss Semester can make all the difference for students who are:

- adventuresome and courageous enough to confront the unfamiliar
- willing to be challenged—academically, personally, and physically
- energetic enough for a full, active, and fast-paced life
- mature enough for the presumption of responsibility and trustworthiness
- curious—and desirous of new perspectives and broadened horizons
- fond of the outdoors and the prospect of a lot of hiking, mountain climbing, and skiing

This has been by far the most amazing and unforgettable experience of my life! —Swiss Semester Student

Tuition and fees for the semester are paid to Swiss Semester; affiliated home schools have agreed to pro-rate tuition for students that attend the program. The “Information Supplement” delineates the costs of Swiss Semester. Most past parents would concur with the father who declared, “Swiss Semester is a bargain at any price.”

I find it amazing that such a short period of time can make such an impression on a single life. I often wonder if I would be the same person that I am today if I had not gone to Swiss Semester. I know that I wouldn’t. I want everyone to have the opportunity to change their lives, to grow, to mature, and to learn.

Once again—in reflecting about the beginning of my college experience, I must praise Swiss Semester. Not only did Swiss Semester give me the tools to reach out and leave home, but it also promoted risk taking, a sense of adventure, and discovery.
