

EASTSIDE Swim & Social

Dip your toes into Atlanta's premier poolside event venue! This 1930s-era motorcycle garage has been transformed into a hip oasis for fun, games, and good times in East Atlanta. This is where un-fun pool-less parties come to learn about real shindigs.

A pool table, ping pong table, and conversation pit promise good fun on land. Outside, when you're not floating in a small body of water, one may lounge poolside or enjoy a concert on the deck. The pool is crisp; the fun is good; the possibilities are endless.
