CITIES SUMMIT OF THE AMERICAS

LOGO CONTEST

President Biden and Secretary Blinken announced at the Ninth Summit of the Americas in Los Angeles that the United States will host the first-ever Cities Summit of the Americas from April 26 to 28, 2023, in Denver, Colorado. The Cities Summit will convene city, state, municipal, and sub-regional leaders, as well as representatives from the private sector, civil society, and youth, to advance shared priorities and support implementation of commitments from the Ninth Summit. Cities Summit components will include plenary sessions, stakeholder roundtables, expert panels, networking sessions, and commercial engagements, as well as events oriented public outreach. Each will address a range of priorities for local communities in the Americas, such as sustainable development, democratic governance, health, climate change, energy security, digital transformation, foreign direct investment, women’s empowerment, and public safety.

The Biennial of the Americas ("Biennial") is proud to serve as a partner and a member of Denver’s host city committee for the organization and execution of this historic event. The Biennial, in partnership with the U.S. Department of State and the City of Denver, is excited to announce the launch of the Cities Summit of the Americas Logo Contest ("Contest"). We invite graphic artists from across the Americas to submit design entries to be considered for the honor of serving as the official logo for the 2023 Cities Summit of the Americas in Denver.
