SHOW RULES

Grower Classification: There are three classes of growers for the Show. To determine proper sections to enter blooms, see the appropriate **Sections and Classes of Entries**.

1. A **Novice Grower (Section 1)** is an exhibitor who has exhibited dahlias for three years or fewer. The number of ribbons won in shows does not affect this status nor does the number of plants grown. There is no limit on the number of entries in each class. May move up to Sections 2 or 3.
2. A **Small Grower (Section 2)** is an exhibitor who is not a Novice grower and who grows a total of 75 or fewer plants of AA, A, B, and BB size dahlias, seedlings excluded. May move up to Section 3.
3. A **Large Grower (Section 3)** is an exhibitor who grows 75 plants or more of AA, A, B, and BB size dahlias, seedlings excluded. May not enter in Sections 1 or 2.

EXHIBITION

1. Dahlias entered in competition must be grown by the exhibitor, except in artistic design.
2. Blooms grown in a cloth house or under cloth must exhibit in OPEN TO ALL.
3. An exhibitor is allowed more than one entry in a class, unless otherwise stated.
4. Exhibitors must use the standard Midwest show tags. Tags must be correctly and totally filled out showing Section Number, ADS Class Number, Name of Variety, as well as Name and Postal Address - **personal address labels are ideal**. The tag area is to be covered until such time as the judging has been completed.
5. All entries must be tagged in accordance with the 2023 Official ADS Classification and Handbook of Dahlias. In case of an unknown or unlisted variety, including seedlings, place the entry on the Classification Table where it will be classified by the Classification Committee. After classification by the committee, the Exhibitor has the sole responsibility to place the entry in the correct Section and Class. Note that seedlings that are not intended for introduction must have a two-digit prefix, e.g., *99 Super Seedling*.
6. Undisseminated varieties must be entered in OPEN TO ALL Classes. The Classification Committee shall note on the entry tag how the undisseminated variety was classified.
7. Containers will be provided for all entries except baskets and artistic design. A basket is a container made of interwoven material with a handle.
8. All specimen blooms become the property of the Show Committee to be disposed of at the end of the show. No exhibit shall be removed prior to the closing of the show without the consent of a Show Co-Chair.
9. Neither DSO Inc. nor the Summit Mall will be responsible for loss or damage to exhibits or containers. Please remove your personal containers at teardown time Sunday.

JUDGING

1. All entries must have at least one pair of leaves above the container.
2. Blooms of AA, A, B, and BB dahlias must not exceed 36 inches in height except to show two sets of leaves. For entries over 36" the second set of leaves must be within one inch of the top of the container. No requirement for entries under 36".
3. Undersize and oversize blooms: All blooms must be entered as officially classified by the ADS. Blooms will be judged with no penalty for being oversize or undersize. When judging miniatures, miniature balls, pompons, mignon singles, and micros, judges should consider and may reward diminutiveness in an entry. Currently, size flexibility for micros is being acknowledged (i.e., under 2" is not strictly enforced).
4. Multiple bloom entries must be staged in one container. When the number of blooms is specified, a greater or lesser number will disqualify the entry.
5. The wiring of stems, any artificial support of stems above the container, or artificial coloring of the foliage is prohibited. The use of wedges and Oasis is allowed. Oasis blocks and wedges that are above the rim of the container will be regarded as part of the container. **(Judicious use of Oasis is encouraged since it is not biodegradable.)**
6. Judges may not participate in the judging of classes containing their own entries.
7. Entries misplaced as to size, type, or color may be properly placed or re-entered prior to judging. If a Section has not been judged, the entry may be moved to the proper class, but it may not be moved to a Class or Section that has already been judged.
8. Stickers will be awarded to first, second, and third place winners. As there are no Sweepstakes, only first place winners will be recorded by the clerks.
9. No award will be given to an unworthy entry even though it may be the only one in its class. Judges may give a second to an entry in the event none is considered worthy of a first. This includes artistic designs.
10. If only one blue (first) ribbon bloom is available for a Special, it need not be given the Special award. This applies to artistic designs as well.
11. **LARGEST BLOOM:** The single entry bloom that has won a blue (first) ribbon and has the greatest numerical value by multiplying its depth by its diameter is the LARGEST bloom in the show. It will be placed on the Court of Honor.
12. The decisions of the judges are final.
13. All judges must adhere to the requirements for protection against Covid infection as specified by the Show Committee.
