***mototino***

***Catering menu***

Our objective at Motorino is to provide traditional Italian and European flavors with a modern twist, keeping the values of simple ingredients that are naturally grown, GMO free, and organic, never using preservatives. We are a chain of “scratch restaurants and catering company ” meaning our menu is crafted entirely from scratch. We only use the best ingredients and cooking methods to enhance our traditional flavors.

Motorino responsibly sources all ingredients and carefully incorporates the best flavors into each and every dish. We are a company committed to growing and evolving to meet and exceed our customers expectations. Motorino embodies fresh and creative cuisine in addition to remarkable hospitality . We are committed to delivering the best quality in every dish,

When it comes to catering we know that aside from food, quality and service come second to none. This is why we have a dedicated catering team “MOTORINO CUCINA” who prioritizes the clients satisfaction. Our main goal is to make sure that every catered event is executed to exceed our clients expectations and alleviate stress that comes with hosting an event.
