 Photos help!

**Reporting hazards**  
 Auckland Transport **09 355 3553** (road, cycle paths, footpaths)  
 Auckland Council **09 301 0101** (street cleaning, trees down)  
 You can also report online on their respective websites.

**Near misses, accidents & other concerns**  
 It is important to report accidents on Waiheke. Please share with us your near misses, dangerous spots and other concerning situations for cyclists on Waiheke Island. Please do report any major incidents to police, and where possible document this with photography. Contact Cycle Action Waiheke at [cawaiheke@gmail.com](mailto:cawaiheke@gmail.com).

**Your rights as a cyclist**  
 Bicycles are legally considered vehicles, and have the same rights on the road. There are situations in which it is safer to exercise your right to take the lane and move to the center of the lane, e.g. parked cars or unsafe surfaces.

**Safe riding**  
 Waiheke roads are shared with pedestrians, cyclists, cars, buses, trucks, motorcycles, and horses. Keep to the left of the road when it's safe to do so. Communicate with other road users by indicating clearly, making yourself visible and riding in a predictable line. Loose gravel is a common occurrence on Waiheke, especially after rain. Helmets are a legal requirement for cycling in Aotearoa New Zealand.

**Cycle lanes**  
 There are a few sections of road that have painted cycle lanes, and there are some shared pathways. Some cycle lanes are only on one side of the road, as indicated on the map. Only change sides to access the wide shared path with separators, and don't cycle against traffic in a cycle lane.

**Getting here**  
 Bikes travel free on the Fullers ferry from Auckland and are subject to a charge on the Sealink vehicle ferry. Bike spaces on ferries are limited and cannot be booked ahead. Arrive at the ferry terminal with time to spare before ferry departure.

**Waiheke**  
 Kia ora and welcome to Waiheke, pearl of Tīkapa Moana/Hauraki Gulf, only 35 minutes by ferry from downtown Tāmaki Makāuru/Auckland. This map is the insider's guide to cycling on the island. Waiheke is famous for its vineyard-covered hills, glittering views across the sea and signs that say "Slow down, you're here" as you roll off the ferry.

With this map we hope to offer you a local's insight into getting around Waiheke Island on a bicycle, with tips for preferred routes, and the locations of bike businesses, rentals and mechanical support.

When planning your trip, see our suggested rides and pick a route that fits your level of confidence and fitness.

### Bike map overview

# Waiheke Bike Map

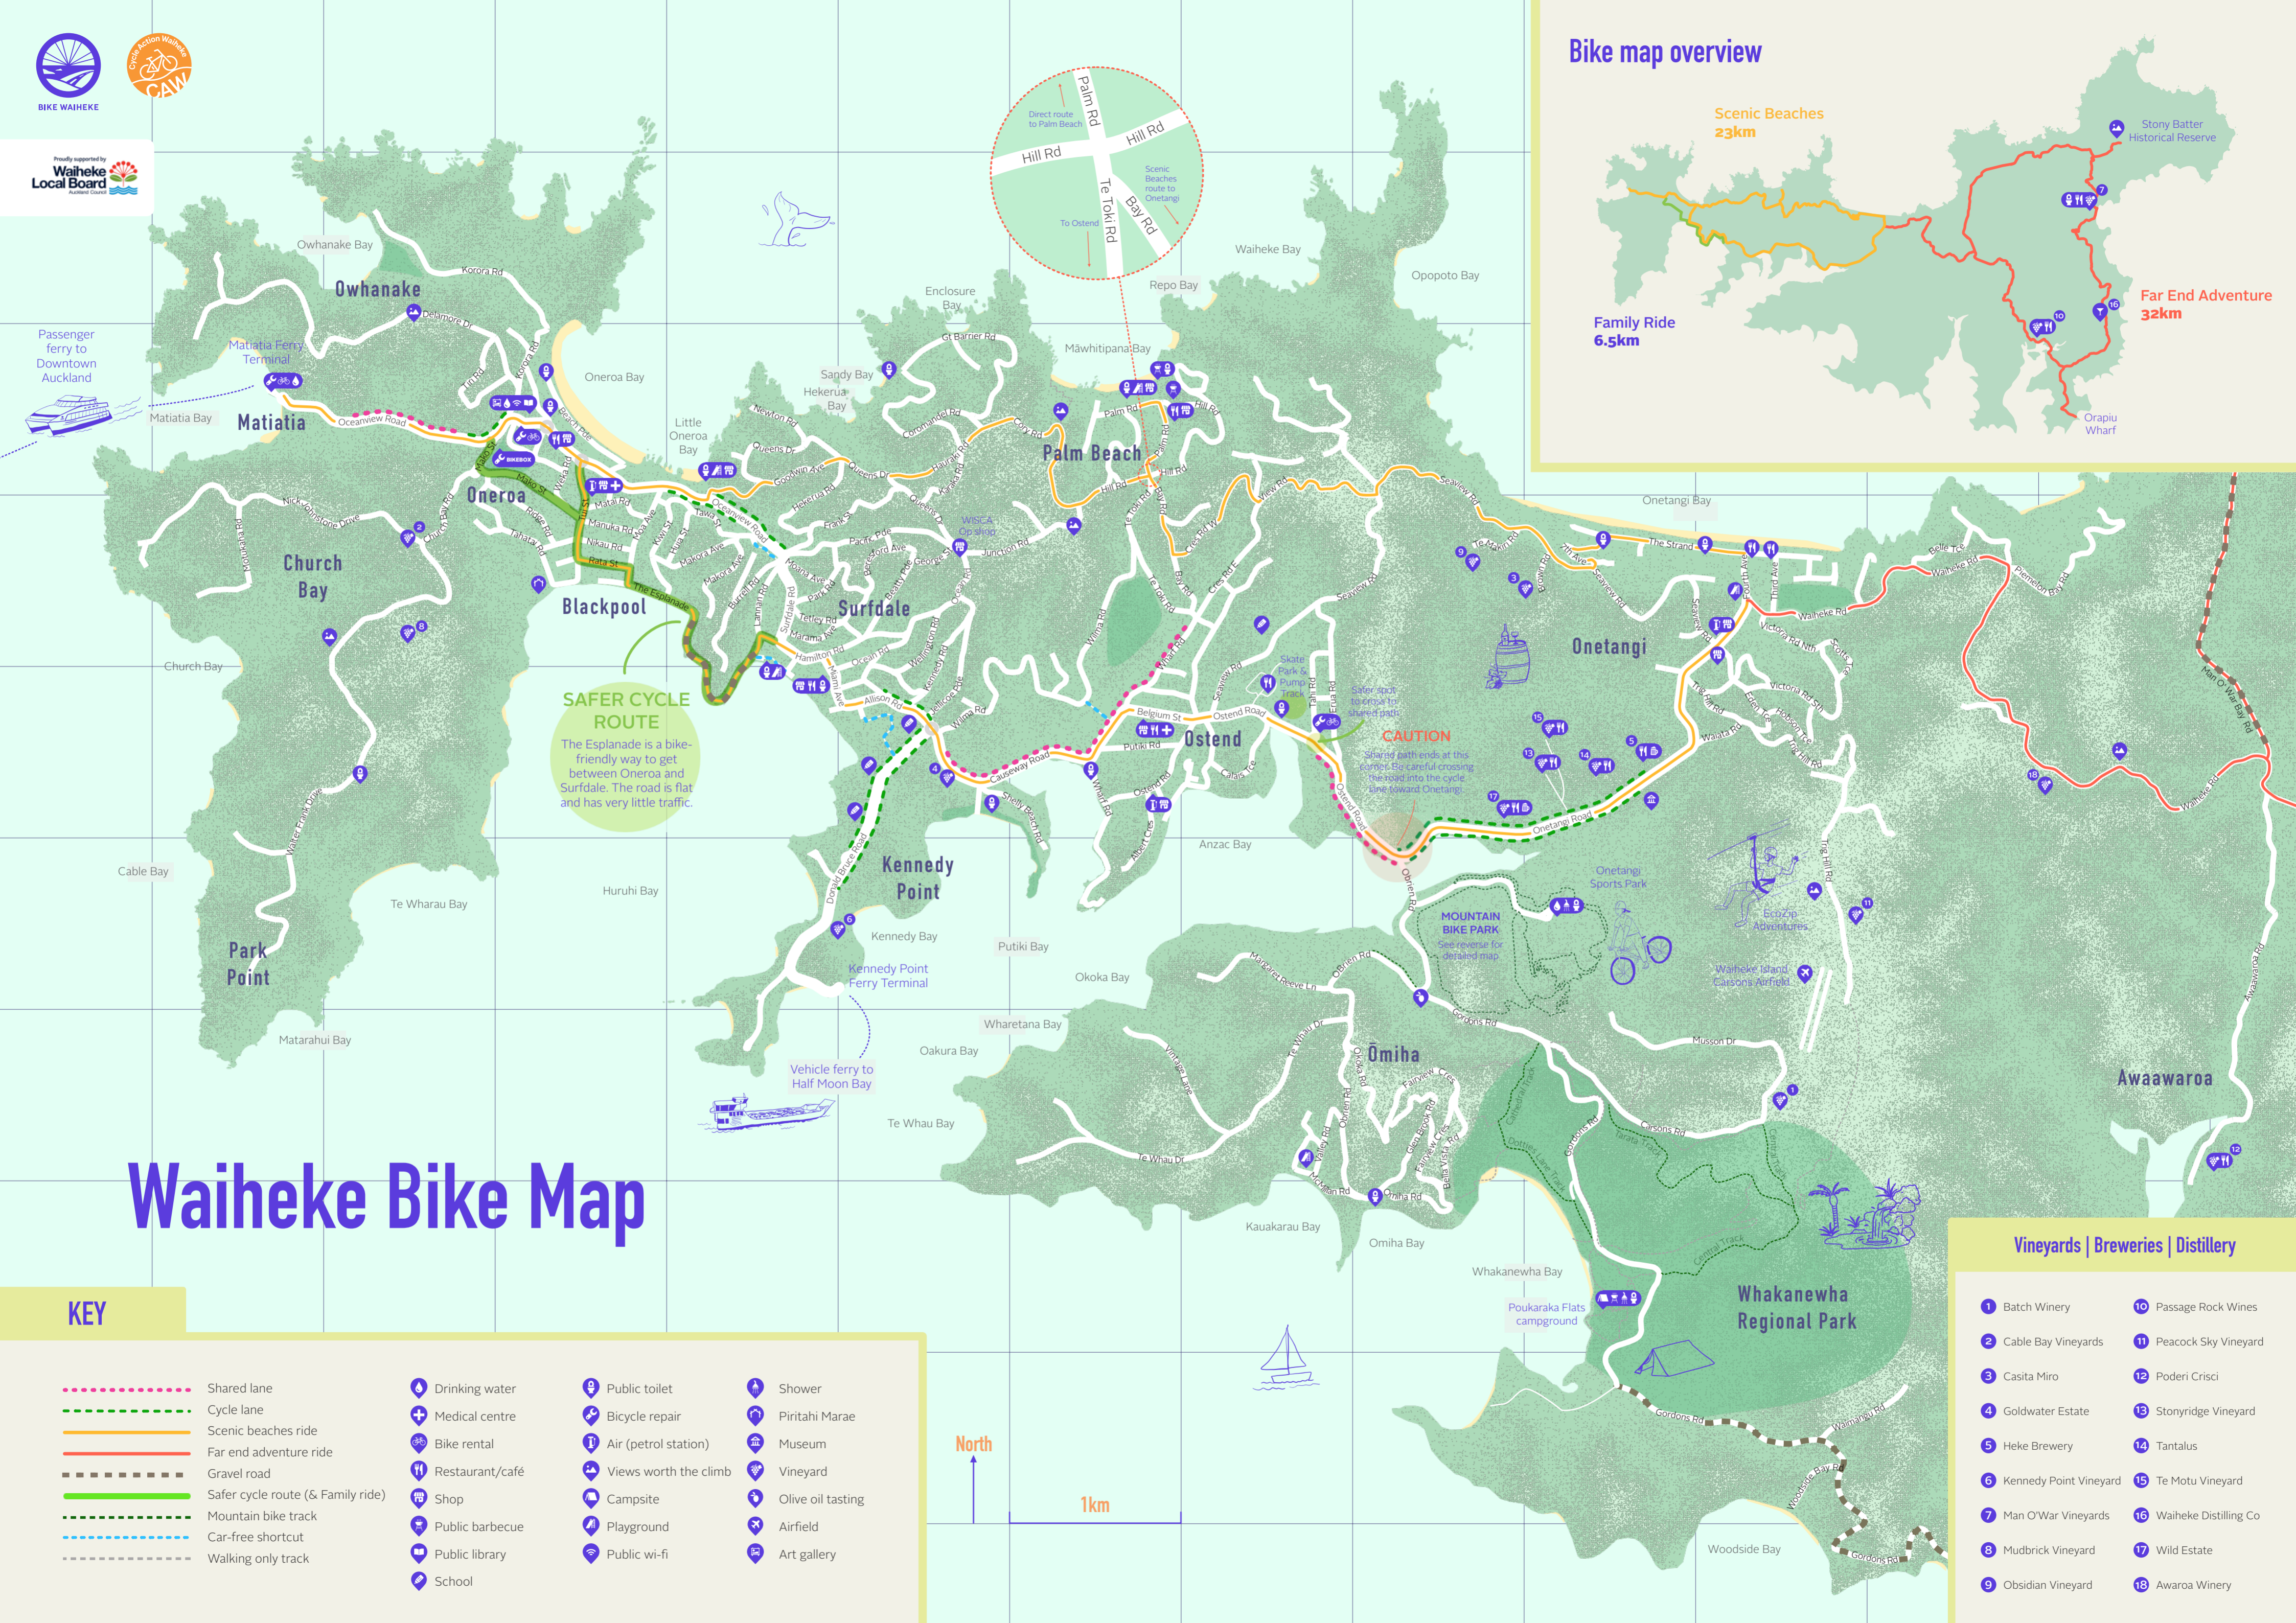

## KEY

- Shared lane
- Cycle lane
- Scenic beaches ride
- Far end adventure ride
- Gravel road
- Safer cycle route (& Family ride)
- Mountain bike track
- Car-free shortcut
- Walking only track
- Drinking water
- Medical centre
- Bike rental
- Restaurant/café
- Shop
- Public barbecue
- Public library
- School
- Public toilet
- Bicycle repair
- Air (petrol station)
- Views worth the climb
- Campsite
- Playground
- Public wi-fi
- Shower
- Piritahi Marae
- Museum
- Vineyard
- Olive oil tasting
- Airfield
- Art gallery

### Vineyards | Breweries | Distillery

- 1** Batch Winery
- 2** Cable Bay Vineyards
- 3** Casita Miro
- 4** Goldwater Estate
- 5** Heke Brewery
- 6** Kennedy Point Vineyard
- 7** Man O'War Vineyards
- 8** Mudbrick Vineyard
- 9** Obsidian Vineyard
- 10** Passage Rock Wines
- 11** Peacock Sky Vineyard
- 12** Poderi Crisci
- 13** Stonyridge Vineyard
- 14** Tantalus
- 15** Te Motu Vineyard
- 16** Waiheke Distilling Co
- 17** Wild Estate
- 18** Awaroa Winery

**SAFER CYCLE ROUTE**  
 The Esplanade is a bike-friendly way to get between Oneroa and Surfdale. The road is flat and has very little traffic.

**CAUTION**  
 Shared path ends at this corner. Be careful crossing the road into the cycle lane toward Onetangi.

**MOUNTAIN BIKE PARK**  
 See reverse for detailed map
