A hand-drawn sketch of a smartphone screen. The screen contains a sign-up form with the following elements:

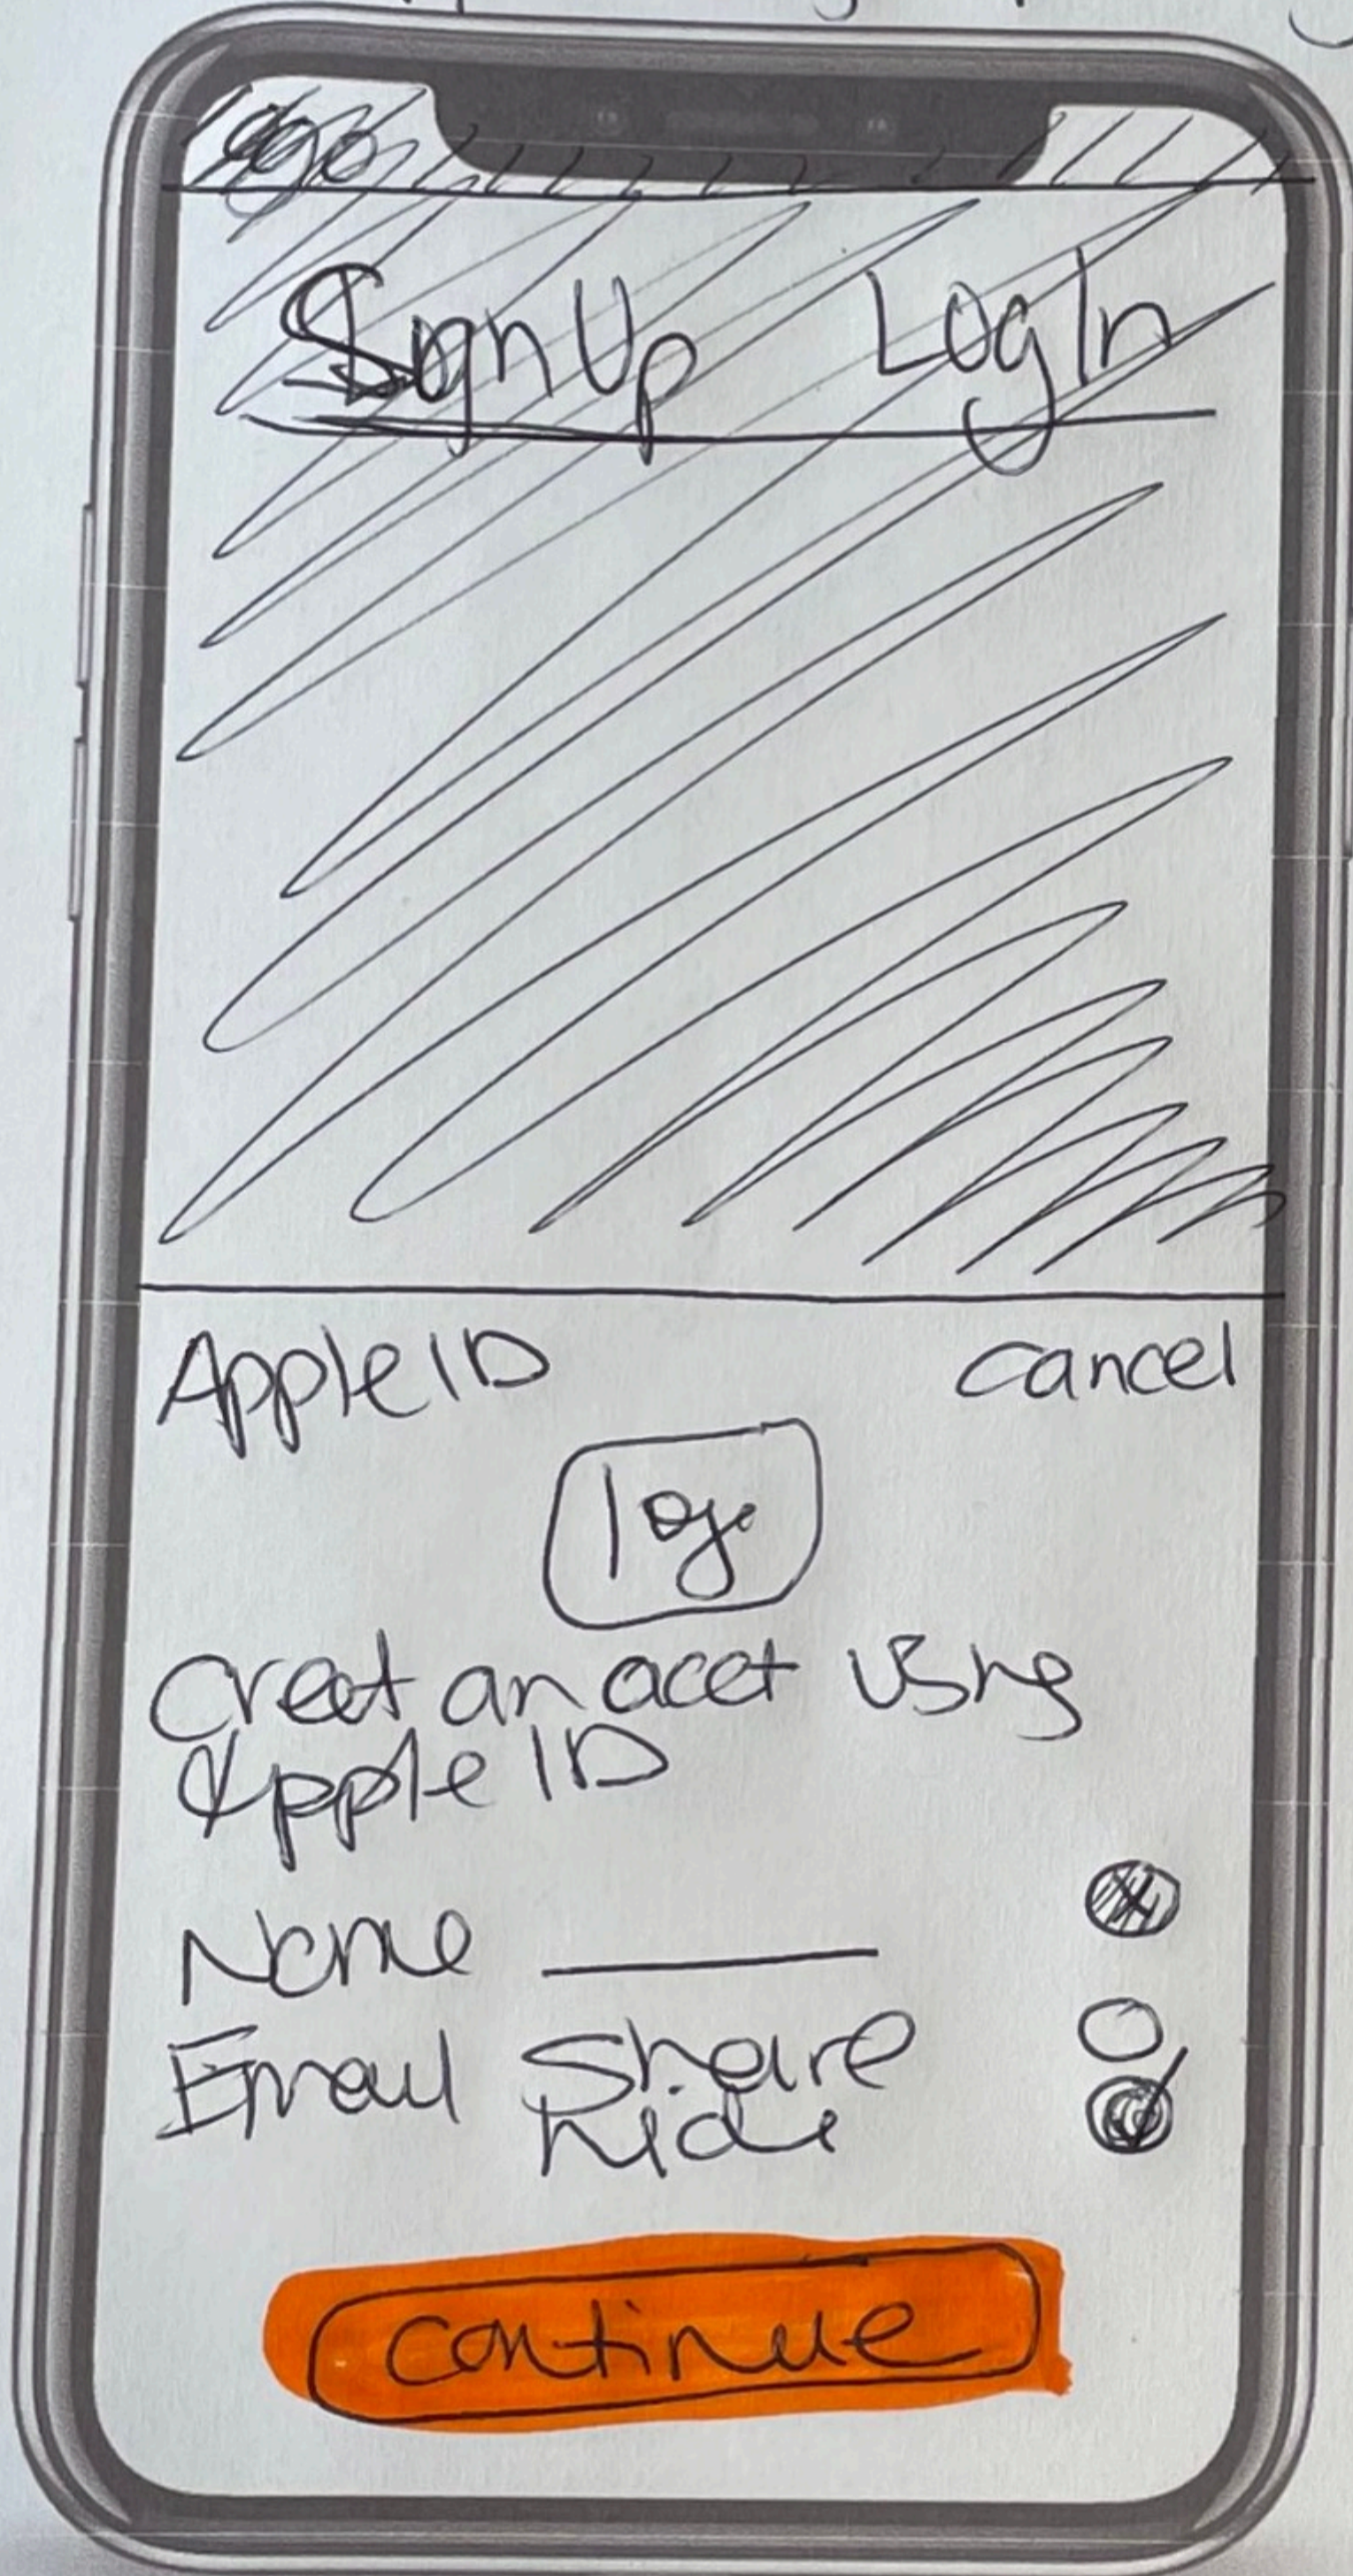

- Two stacked input fields: "First Name" and "Last Name". Below these fields is the text "must match gov ID".
- A single input field: "Birthday mm/dd/yyyy". Below this field is the text "must be 18".
- A single input field: "Email".
- The text "Terms, policies" below the email field.
- A large orange button at the bottom with the text "Agree + Continue".

SEARCH

- room & guest input -

A hand-drawn sketch of a mobile application search interface. At the top, there is a header with a logo and a notification bell icon. Below the header is a search form with four input fields: 'Enter ^{Year} destination', 'Dates of Travel', '# Rooms & guests', and a 'Search' button. Below the search form is a section titled 'Select rooms and guests' containing three rows of controls: 'Rooms', 'Adults', and 'Children 0-12yrs'. Each row has a minus button, a value, and a plus button. At the bottom of the screen is a large orange 'Apply' button.
