Chairman Bryan Christ Locks County Executive Committee Out of Headquarters Again

MONTGOMERY COUNTY, TX - The Montgomery County Republican Party's County Executive Committee (CEC) was once again locked out of party headquarters this evening by Chairman Bryan Christ. Elected members of the CEC Steering Committee had reserved the facility tonight for a committee meeting at 6:30 pm. The Steering Committee was again forced to meet off-site.

Click [here](#) to watch video of CEC Steering Committee members trying to access Montgomery County Republican Party headquarters.

The CEC pays the monthly rent on the headquarters facility, but has not had access to it for several months. Each time they arrive to attend scheduled meetings, the entry access code has been changed. Click [here](#) to view supporting documents on Attorney Warren Norred's website.

This is just one more example of the County Chairman standing in the way of the Precinct Chair majority conducting party business.

The Republican Party of Texas sent a mediation team to Montgomery County on Sept. 30, 2022, in an effort to settle the ongoing dispute. The team offered solutions, which were all rejected by Chairman Christ. The official [Mediation Report](#) cited the cause of the problems in the local party as a "complete failure of leadership" by Christ and also mentioned that he seemed to have no interest in resolving the dispute.

Members of Republican Party of Texas leadership suggested that the county party file a lawsuit against Chairman Christ for his continued efforts to disrupt and damage the party, and recommended Attorney Warren Norred to help in taking legal action.
