

# Precinct Chair Spotlight

**Blake Hall, Precinct 82**

## Why did you decide to become a Precinct Chair?

It is important for each of us to be the voice of "We the People." Our neighborhoods, counties, states, and country are too important to sit on the sidelines and lose our freedom. The precinct is where our vote begins to count. The voters in a precinct contribute at each level up in our government.

## What do you enjoy about being a Precinct Chair?

I enjoy Informing my neighbors about what is happening in our community, county and state.

## How long have you been a Precinct Chair?

I've been a Precinct Chair since January 2023.

### FAMILY

I am married to my sweetheart, Karen. We have three children, eight grandchildren, and one great-grandchild. I am a sixth generation Texan and a descendant of Alfred Hallmark, a soldier who fought at San Jacinto under General Sam Houston in 1836.

### PETS

We have three pets: China Doll, a large sweet dog; Ollie, the smartest dog I have ever met; and Snowball, a 100% black cat that identifies as a white cat.

### INTERESTS

I love working with my fellow patriots who are the conservative Precinct Chairs in Montgomery County. I also recently became a board member of my community MUD84. We have lots of projects underway to improve storm drainage. I really enjoy cooking and most of what I cook is good, but sometimes...not so much.

## What accomplishments are you most proud of?

I am most proud of being a dad, grandfather and a great-grandfather. I also am so blessed to be Karen's husband.
