General Assembly 2024

The Federation of Young European Greens warmly invites you to join our General Assembly (GA) between 21-24 August 2024 in Dublin with preliminary Compromise Amendment Sessions (CAS) taking place online. The dates of CAS will be announced shortly.

The General Assembly is the most important decision-making event that takes place each year. It is the occasion to reflect on our work, elect our leadership and decide on our future plans.

We are very happy to host the General Assembly with Óighe Glass in Dublin, Ireland.

Registration of delegates

FYEG encourages you to start choosing your two delegates and preparing them for GA already.

Here is the registration form for the delegates. Please fill it in as soon as possible. Deadline for registering delegates and observers is July 10th Wednesday 23:59 CET.

Registering within the deadline is a statutory requirement. If you do not register within the deadline, you might not be able to participate at the General Assembly. There will not be any extensions to the deadline.

Selection of delegates and observers

- Each Full and Candidate Member Organisation has a right to nominate up to two delegates.
  - Travel costs, accommodation and lodging costs of the first delegate is covered by FYEG. First delegates do not pay a participation fee.
  - Travel costs, accommodation and lodging costs of the second delegate is covered by FYEG.
    - Basic participation fee for the second delegate is 95 euros if at least one delegate self-identifies as woman, trans or genderqueer. Or 190 euros if no delegate identifies as woman, trans or genderqueer).
    - There is also the option to pay a solidarity fee for the second delegate, that is 140 euros if at least one delegate self-identifies as woman, trans or genderqueer, or 260 euros if no delegate identifies as woman, trans or genderqueer).
● Each **Associate** Member Organisation has a right to nominate **up to two delegates**.
  - Travel costs, accommodation and lodging costs of the first delegate is covered by FYEG. First delegates do not pay a participation fee.
  - Travel costs, accommodation and lodging costs of the second delegate are not covered by FYEG. Participation fee for the second delegate is **160 euros** if at least one delegate self-identifies as woman, trans or genderqueer (or **320 euros** if no delegate identifies as woman, trans or genderqueer).

● Each Full Member Organisation has two voting rights at the General Assembly if the membership fee is paid. Candidate and Associate Member Organisations do not have a voting right. The Treasurer has been in touch with all the MOs for the payment of the membership fee.

● Extra participants from members of FYEG Member Organisations (Full, Candidate, Observer) and Working Group members can register as **Observers**. Observers will be able to follow the discussions as participants. There is no limit to the number of Observers. The travel costs of Observers are not covered by FYEG. Observers have to pay a participation fee:
  - Full participation fee for Observers is **320 euros** (with the possibility to pay a solidarity fee of 370 euros). It covers the accommodation cost and the meal costs.
  - Basic participation fee for Observers is **180 euros** (with the possibility to pay a solidarity fee of 210 euros). It covers meals.

● It's good practice to have one experienced delegate (who has been to previous GAs and Young Greens forums) and one less experienced delegate (to ensure transfer of knowledge).

● Member Organisations should strive to send delegations to the General Assembly that are gender-balanced and consist of delegates maximum aged 30 years old. If the organisation is unable to find delegates within the age limit, they can send older delegates aged 31-35.

**Programme:**

The General Assembly will take place in Dublin between **21th and 24th of July 2024** with two Compromise Amendment Sessions taking place **online ahead of the GA**. The dates will be announced shortly. The draft programme of the General Assembly will be announced shortly.

The participants will be welcomed on Wednesday 21st of August in the afternoon. That's the day when we expect delegates to arrive in Dublin. The General Assembly
Programme will start on 22th of August in the *early morning* (full days on 22th, 23th, 24th of August). Delegates are expected to depart on Sunday, 25th of August.

**Please read the Financial Conditions very carefully. As soon as you are registered, please book your travel to avoid higher prices.**
