

Uniting in Prayer

28 MAY - 22 JUNE

Prayer Chain

The national prayer chain is one of the most significant parts of the *Uniting in Prayer* event, connecting every part of the Uniting Church - local communities, agencies, schools, and councils - to each other in prayer through the 26 days.

Your home community or other part of the Uniting Church is being invited to pray for two other Uniting Church communities and there will be communities holding yours in prayer.

The prayer chain is a powerful expression of our national Church. Though we may sometimes feel remote or isolated from each other, as we live out our mission and ministry in unique ways we are held by a common tradition and belong to one community in Christ.

How to use the prayer chain:

Locate your community in the document by searching (Ctrl+F). The two columns next to your name are the two communities you are praying for.

Through Uniting in Prayer, you might like to:

- contact these two communities to ask for prayer points
- name these communities in your Prayers of the People or devotions
- pray for these communities in your meetings or gatherings eg church council or leaders meetings, or a prayer group if you have one
- find a way to pray together with people in these communities, eg on Zoom or phone

If you can't find public contact information for your two communities online, please contact the Act2 team to see if we can put you in touch.

If you need assistance navigating the prayer chain, contact the Act2 team: uca.act2@nat.uca.org.au

May God bless you through these days of prayer.
