We agreed that email communication works for urgent items needing comment. 
Barry will keep an eye out and give us a heads up if we should act. 
Brooke and Joanne will try to see if we can advocate for climate-related bills at the Family physician day at the legislature March 30.
To give comment live or in writing, register at the NELIS site, https://www.leg.state.nv.us/App/NELIS/REL/82nd2023, to log on to support, oppose or comment on bills. You can also see the schedule and listen to hearings and floor sessions on the site.
