

## OREGON COMPREHENSIVE SEXUALITY EDUCATION: CONSENT

| Grade<br>Level                                                                                                                                                                          | /~ | 10/ |   | 7/2 | 0/4      | 5/4 | 149      |   | 1/8      | HS       |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|-----|---|-----|----------|-----|----------|---|----------|----------|
| Discuss/Demonstrate how to effectively identify and communicate wants, needs, consent, and personal boundaries in healthy ways and listen to/show respect for the boundaries of others. | 1  | 1   | 1 | 1   |          |     |          |   | 1        |          |
| Define and explain the relationship between consent, personal boundaries, and bodily autonomy, and how these are important in all types of relationships.                               | 1  | 1   | 1 |     |          | 1   |          |   |          |          |
| Recognize that personal boundaries differ in different kinds of relationships and for different people.                                                                                 | 1  |     |   |     |          |     |          |   |          |          |
| Understand that it is never okay to touch someone without their permission.                                                                                                             | 1  |     |   |     |          |     |          |   |          |          |
| Explain that everyone has the right to decide who can touch one's own body, where, and in what way to prevent violence and abuse.                                                       |    | 1   |   |     |          |     |          |   |          |          |
| Explain that many people enjoy consensual affection and physical closeness throughout their lives, and every individual gets to decide what they're comfortable with.                   |    |     |   | 1   |          |     |          |   |          |          |
| Identify different personal boundaries and privacy needs of self and others at school, with friends, and at home.                                                                       |    |     |   |     | 1        |     |          |   |          |          |
| Demonstrate communication skills for asserting boundaries around and refusing substance use.                                                                                            |    |     |   |     | 1        | 1   |          |   |          |          |
| Describe personal feelings when boundaries, consent, and privacy needs are not respected.                                                                                               |    |     |   |     |          |     | <b>4</b> |   |          |          |
| Identify/Describe state/federal laws on sexual consent.                                                                                                                                 |    |     |   |     |          |     |          | 1 | 1        |          |
| Summarize individual rights and responsibilities in regards to sexual consent under state and federal law.                                                                              |    |     |   |     |          |     |          |   |          | <b>~</b> |
| Analyze different ways that people can express consensual physical affection, love, friendship, empathy, and sympathy within different types of relationships.                          |    |     |   |     | <b>4</b> |     |          |   |          | <b>4</b> |
| Examine the impact of power differences within relationships and other factors that can affect the ability to give or perceive consent, including in sexual activity.                   |    |     |   |     |          |     |          |   |          | <b>-</b> |
| Demonstrate the ability to effectively communicate with a partner to make decisions around abstinence and consensual sexual intimacy.                                                   |    |     |   |     |          |     |          |   | <b>4</b> | <b>/</b> |
