ROLL CALL
President Stroud called the meeting to order at 3:06 p.m. at the Mono County Library, 400 Sierra Park Rd, Mammoth Lakes, CA. Present: Danna Stroud, David Page, Mark Brownlie, Grady Dutton, and Alan Jacoby

PUBLIC COMMENT
Casey with Friends of the Inyo gave an update on the winter grooming program.

ADMINISTRATIVE ITEMS
1. Agenda Approved – Discussion on changing the date of the meeting. Check with Mark Brownlie.
2. Approval of Minutes (M Page, S Jacoby, 4-0)
3. Winter 2015/16 Projects
   a. Winter Snow Play for MLTS Website, update provided by Kelly from MLTPA. Jacoby asked why Scenic Loop is on the list but is on the site, the answer being that the list will be siting an exact location instead of a general area. Page brought up adding the Borrow Pit to the list. (Side note: Borrow Pit is not being called the Sherwins Gateway) (M Jacoby, S Page, 4-0)
   b. Sherwins Egrass Signage update was given by Joel Rathje. Signs will be painted for lasting long-term.
   c. Tamarack Signage update given by Joel Rathje. Tamarack and TOML public works are working together to design and install maps over the existing Lake Basin map to winterize. Grady added that signs that are being taken down are being better managed than in the past.
   d. Mammoth Trails Meeting, 1/14/16: Trail user groups and others will be attending this meeting in the library tomorrow at 5p.m.
4. Winter Recreation Summit – Draft concept document included in the packet
   a. Based on the Trails System Master Plan document and emerging issues, several programs and concept are being considered for the Summit. Stroud reviewed the one-sheet on the Summit.
   b. Rathje added background on why certain topics are being considered in the Winter Summit’s program.
   c. Page asked what is the target audience? What kind of discussion are expected to occur for these topics? What are the goals? What is the urgency for an event like this? Set up timelines. Keynote that sets the tone, or panels of people from outside of the area. Doesn’t see anyone paying a registration fee.
January 13, 2015, Mammoth Trails Committee Meeting Minutes
Mono County Library Conference Room, 400 Sierra Park Rd, Mammoth Lakes, CA

   d. Jacoby sees a lot of parallels between the Summit and the Trails user groups getting together tomorrow. Find ways for those who would focus on one topic to venue out to other topics. Could become a yearly event, maybe add a Summer Summit someday.

   e. Grady said that a lot of these types of events have been done around the country and to use those as a basis for research. Include MCPW in the snow-play discussion. Combine some topics that are similar in order to combine the audiences. Issues that effect the entire Eastern Sierra, way to promote.

   f. Public comment echoed the importance of desired outcomes, clear purpose and target audience.

   g. Stroud addressed questions asked, and discussed the interest in panels.

5. 2015-16 Budget Review:
   a. Rathje reviewed the roles and responsibilities of the various contractors and partners that are already engaged with the Trails System, and the material that was adopted originally by Town Council.

   b. Review of the Project Management Mid-Year Budget, what projects have money being taken out and being added to other projects in order to get work done in this fiscal year. All the projects will remain, Rathje says. Grady reminded the group that projects that may not have money allocated in next year’s budget need to stay on the sheet and don’t disappear.

   c. Project Initiation Sheets to be approved by the committee were reviewed by Rathje.
      i. Page suggested that TOML led projects should be specified which department is taking the lead.
      ii. Winter Mobility Program Project Sheet needs to revised as TOML lead.
      iii. Approval of the re-allocation of the 5 project initiation sheets, with the above changes (M Page, S Jacoby, 4-0)

6. Rathje gave an overview of what MTC will be looking at when approaching the discussion on next year’s budget

7. Grady Dutton gave an overview of the CIP Project list and how it applies or is relevant to the MTC. Anything MTC would like to see in there Dutton says to contact him and let him know. Stroud says she would like to add a few minutes to the half day to review the CIP.

8. Rathje gave a summary of the Forest Service/TOML meetings that have been occurring. Rathje says the conversation and proposed ideas were well-received.

COMMITTEE REPORTS

David Page reported on going to the Outdoor Retailer show in Salt Lake City last week.
January 13, 2015, Mammoth Trails Committee Meeting Minutes
Mono County Library Conference Room, 400 Sierra Park Rd, Mammoth Lakes, CA

Alan Jacoby reported on attending a fat bike race in Idaho and Montana, 100-miles of groomed snowmobile trails; no issues with both groups using the trails. SierraStar Tuesday Night bike races, only place fat bike will be able to ride groom trails, supported by SEMBA. Grady Dutton says TOML is keeping MUPs as open as possible. Danna Stroud says that the Mammoth Trails website was submitted to the CA Trails and Greenways for an award.

REQUEST FOR FUTURE AGENDA ITEMS

- Summer of Stewardship 2016, MTC Direction + Budget involving MLTPA and Friends of the Inyo
- Lakes Basin Stewards Program, MTC Direction + Budget involving Friends of the Inyo
- Discussing bringing in other trail user groups
