NATURAL STONE FIREPLACE MANTELS

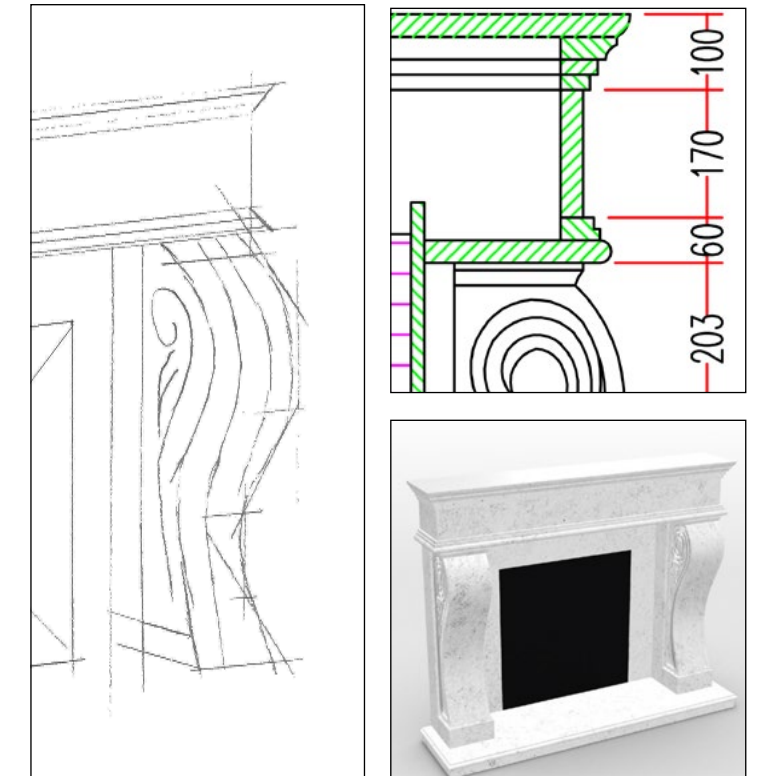

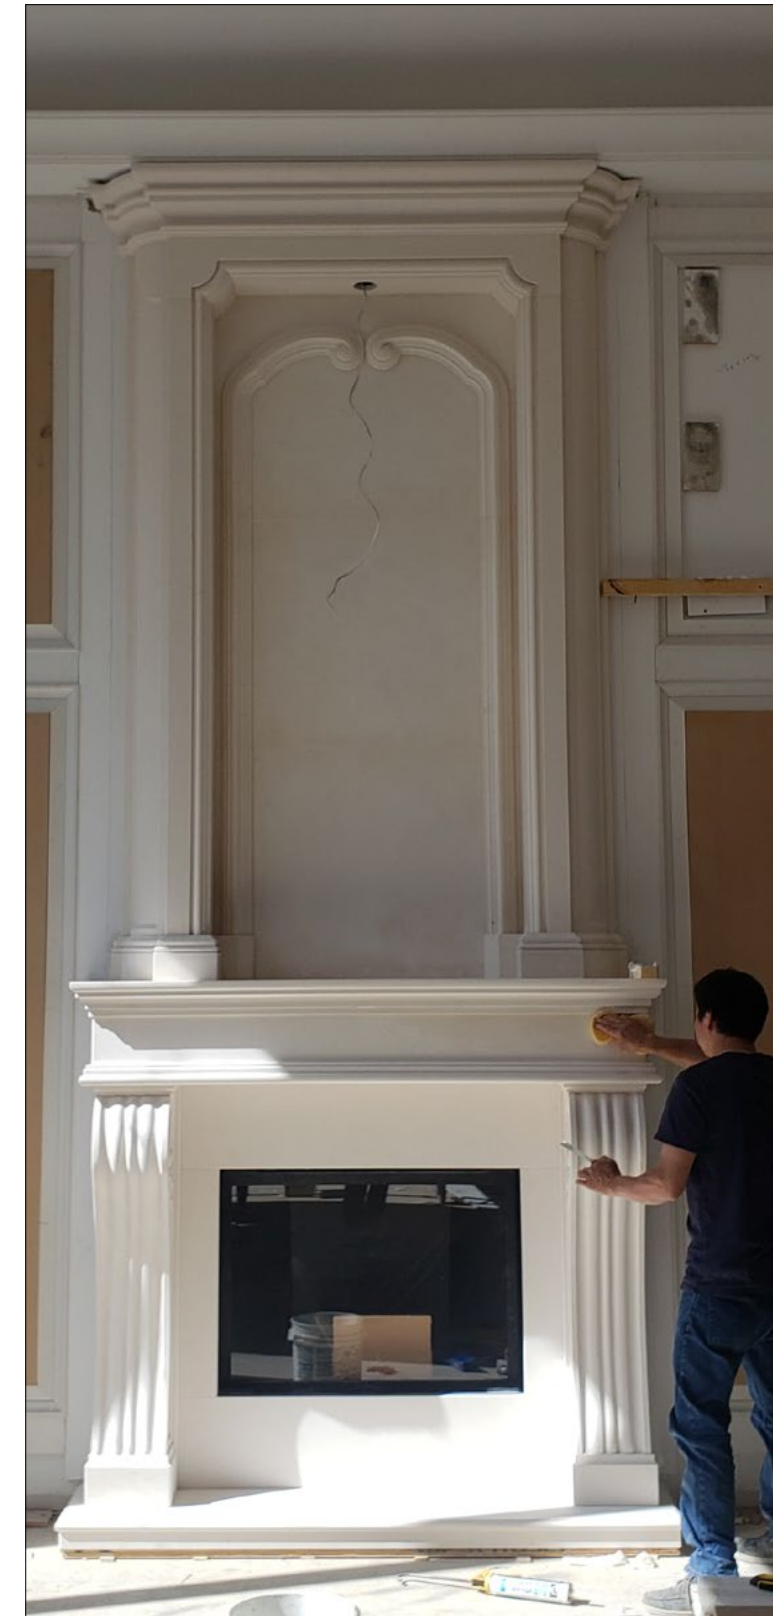

Welcome and thank you for your interest in Cascadia Hearth and Stone. We are thrilled to have the opportunity to share our passion for fireplace designs with you. Cascadia Hearth and Stone is the sister company of Dynasty Fireplaces

Our commitment to excellence begins with our meticulous material selection process. We source only the finest natural stone materials from around the world, ensuring that each one meets our stringent quality standards. You can trust that every mantel that leaves our workshop has undergone rigorous scrutiny.

Crafted with unwavering attention to detail, each mantel is a testament to precision craftsmanship. We seamlessly blend the beauty of natural stone with modern designs and production techniques, resulting in mantels that exude timeless quality. To ensure the highest level of artistry, every natural stone mantel is meticulously finished by hand.

In this brochure, we are delighted to present you with a curated collection of fireplace designs, offering a range of materials and sizes to suit your specific needs. At Cascadia, we are dedicated to ensuring that your journey in acquiring a new fireplace is not only seamless but also enjoyable. Our team is committed to providing you with a pleasant and positive experience every step of the way.

TAILORED DESIGN SERVICES

A fireplace is the centerpiece or anchor of any room, and should exemplify your taste and preferences. Thus we offer a full customization service, from design to installation, should you have your own unique ideas. The successful production of a bespoke fireplace mantels requires vast knowledge, from sourcing the materials to sculpting, and we will work with you to achieve the fireplace you desire.

Every individual customer is special to us, and we hope to match a mantel for you that you are proud to call your own. Our team can guide you through each step of the process ensuring you get a quality and timeless fireplace mantel.
