

Rural Caucus Public Forum

Listening to the Concerns of Rural Vermonters

The Rural Caucus is a tripartisan caucus of members of the Vermont House of Representatives who collaborate to support Vermont's rural communities & economy. The group values civil discourse, local wisdom, and working across party lines for a better future for Vermont.

When: Wednesday, February 19, 2025 from 5:30-7:00 pm

Where: VT State House, Room 10 & Online via Zoom

Who: Vermonters with constructive ideas to share

We need to hear from you! The public is invited to share their top issues affecting rural Vermont with the Rural Caucus. We're looking for actionable ideas and insights from rural Vermonters as to what can be done legislatively. Whether you are concerned about education reform, health care, climate change resiliency, affordable housing, or another topic, let your voices be heard and share your perspective that will guide the work of the Rural Caucus in the upcoming session and beyond.

It would be most helpful for us to hear about concrete policy recommendations to address the challenges all rural communities face. Participants will have 2 minutes each, so please be focused and concise in your remarks.
