EVENT DAYS 17-20 MAY 2024

THE .ISLANDS' EDITION

The UltraSwim 33.3 concept includes the idea that for swimmers from the same continent as the venue are at least able to compete and enjoy the event without taking more than a long weekend out of their schedule.

So we've tried to choose venues that are not too difficult to get to (there are some amazing places to swim that we have to ignore on this point alone), that allow you to travel at the last minute, register and warmup swim Thursday late afternoon, nail 4 amazing days of swimming and friendship building, celebrate on Monday lunchtime and be back home Monday night or first thing Tuesday. Of course, you can instead chill, and enjoy the amazing venues we go to before and after too...

ARRIVAL 14/15/16TH MAY

33.3KM | 4 DAYS

ARRIVALS: SPLIT AIRPORT, CROATIA

ULTRA+ package: we look after your transfers

13 May or earlier - you will need to make your own arrangements.

14 May 2024 - We will provide a private taxi transfer from Split Airport into Split Old Town to your hotel if you are staying in Split the night or to the Ferry port (next to old town) from where you can take either a ferry to Stari Grad or to Hvar Town, depending on where you have booked your own hotel for the night of the 14th (we can only provide pre-event accommodation in Stari Grad from the 15th since our event hotels open for the season on the 15th).

15 & 16 May 2024 - We will fast boat transfer (weather permitting) direct from Split Airport to your hotel in Stari Grad, Hvar Island **or** private taxi transfer from the Airport to Split Ferry Port and you'll take ferry across to Stari Grad or Hvar Town according to timing, (and then by boat or road from there to your hotel).

Ferries operate from Split Old Town to Hvar Island either via a fast catamaran (65 mins) to Hvar Town, or by car/passenger ferry (110 mins) to Stari Grad itself, from where our event will start.

If you have the time to choose and/or visit Split old town, we recommend the slower ferry ride direct from Split Port to Stari Grad - and we'll pick you up by boat for a 3 minute transfer across the water to your hotel (0830, 1430 and 2030 departures from Split, 1h50 duration - only 0830 is appropriate on 16th May).

ARRIVALS: SPLIT AIRPORT, CROATIA

ULTRA package: you get yourself to Hvar Island

1. Get yourself to Split ferry port from the airport (bus or taxi c.40 minutes)
2. Take fast catamaran to Hvar Town or the slower but direct ferry to Stari Grad.

or our recommendation is...

3. Take car/passenger ferry (0830, 1430, 2030 departures from Split, 1h50 duration - only 0830 appropriate on 16th)) to Stari Grad directly and we'll pick you up for 2 minute water taxi across to hotel.

If you take the faster catamarans (2) to Hvar Town on 15th (extra hotel night needed) or 16th, we will transfer you from Hvar Town to Stari Grad by grouped road transfer (25 minutes). This road transfer (normally 60 euro taxi, and very few buses) will be free as part of your entry fee as long as it is at the time of a ferry arrival.

The ferries from Split to Hvar Island, and the taxi/bus to Split, are at your cost.

BUS timetable from Split Airport to city main bus station situated at Split Ferry port (walking distance from Split old town). Cost 8 Euros one-way. Buses generally leave from outside the terminal once an hour on the hour. 30 minutes journey.

ARRIVALS: DUBROVNIK AIRPORT LATEST 15 May 2024 by 1300

ULTRA+ and ULTRA:

Transfers from the Airport to Dubrovnik port and the catamaran are not included in either package.

The daily catamaran from Dubrovnik port to **Hvar Town** (3 hrs) departs at 1500.

Once you arrive in Hvar Town we will then transfer you to **Stari Grad** on Wednesday 15th (extra night required).

Latest arrival at Dubrovnik airport should be on 15 May prior to 1300 in order to catch this ferry. It is not an option to land in Dubrovnik on the 16th May, unless it was an early morning arrival and you hire a car for a c.4-5 hour journey up the coast and across to Hvar Island.
