## 5 MEDALLIONS BEST-BUY

### Grid Your Bed Set

Place a medallion on each corner of your bed, and one in the middle and sleep within a healing cocoon - accessing scalar wave frequencies as you sleep. The perfect way to regenerate between EE-Sessions.

## 4 BRACELETS BEST-BUY

### Cleanse Your Blood

Medallions are a great way to cleanse your blood as they naturally sit on your pulses, and they can be used to recharge the liquids you consume too by placing your medallion around your drinking glasses! They can also be restrung and placed around your pets collar.

## COLLAGEN BOOST ANTI-AGEING

### Golden Facial Mask

Formulated with pure gold, natural bio-ingredients, and hydrating compounds to deliver to you a more defined, younger, and glowing look. Gold can slow down skin collagen depletion and elastin breakdown. This mask stimulates cellular regrowth at the basal layer to regenerate, combat free radicals, stabilize skin immunity, rehydrate skin, improve skin elasticity - reducing appearance of premature ageing.

## IMMUNITY BOOST DETOXIFYING

### Shower Filter

12 different filtration media in 15 stages, shower filters quickly remove up to 99% of chlorine, sediment, hydrogen sulfide, and water-soluble heavy metals. Water quality is further improved by nurturing elements of scalar energy which is shown to restructure water. Fits on most standard showers, lasts approximately 6-12 months before cartridge needs replacing. Comes with an extra cartridge.
