

Microchurch Gatherings

A Simple Format

Connect and Worship

This is a time for the microchurch family to build relationships, be intentional in community, and to worship together in a variety of ways.

Example questions / elements:

- What are you thankful for / what can you praise God for this week?
- What's been a struggle / what do you need prayer for this week?
- Eat together
- Circle back on I WILL statements
- Sing worship songs (examples: live, YouTube, etc)
- Take communion
- Pray for one another
- Other ideas?

Discover

This is a time to hear directly from God in the Bible using simple Discovery Bible Study questions.

Example DBS questions:

- What stands out to you in this text?
- What do you learn about God/Jesus in this text?
- What do you learn about people in this text?

Pray and Respond

End by praying for one another and responding in tangible obedience to God and his mission.

Example questions:

- Create I WILL statements (specific actions steps in response to what was talked about)
- How will the individuals or the group live on mission this week?
- Who will you bless this week?
- Who will you tell about Jesus this week?
