

60-90 minute mini workshops

dive into a specific topic, tailored to your organization | interactive, action-oriented discussion (no endless slide presentations)

we can cover any of these topics:

- preventing burnout
- conflict management
- crisis management
- giving and receiving constructive feedback
- managing up
- workplace culture
- leadership versus management
- work-life balance
- writing position descriptions and interviewing
- recruiting nonprofit board members
- engaging nonprofit board members in fundraising
- building a solid strategic plan process
- any other topic related to leadership and management in general and nonprofit management

these mini workshops are a great way to get the conversation started on these complex topics.

outcomes

1. practical actions to take forward that work for your organization
2. a solid understanding of the topline takeaways for the topic
3. improved team understanding of and communication around the topic

go beyond the lifeless online articles with interactive discussion

- virtual or in-person
- interactive and practical action-oriented
- includes a survey ahead of time to better tailor the discussion
