

COURSE MAP

Together, we will take **2,036 steps**—one for every individual currently experiencing homelessness in Boston. Each step we take raises awareness for Project Place's mission to break the cycle of homelessness and poverty.

»» WHICH *Route* IS RIGHT FOR YOU?

Move

is for those seeking a challenge—this course has a steeper incline and a faster pace.

Complete 6 laps to take 2,036 steps.

Mosey

is for people who want a more casual climb—perfect for families! The steps are less steep, and there are more flat stretches.

Complete 4 laps to take 2,036 steps.
