TRAININGS & WORKSHOPS

Sullivan 180 offers a range of workshops and trainings that can be brought right to your organization, neighborhood or school. These FREE programs are led by professionals from the Sullivan 180 team, Community Health Champions or partners trained in the specific topic areas.

The Basics Sullivan

The Basics movement involves five science-based, fun, simple ways to support social, emotional and cognitive development of children from birth to age three.

CATCH My Breath

CATCH My Breath is a youth vaping prevention program that takes a peer-led approach to empower students to make informed decisions about E-cigarettes; and to resist social pressures to vape.

Naloxone (Narcan) Training

This training teaches participants how to recognize the signs of an opioid overdose and administer the opioid overdose reversal drug Naloxone. Anyone can be trained in this program.

QPR Suicide Prevention

Question, Persuade and Refer (QPR) is an emergency response to someone in crisis and can save lives. Anyone can be trained in QPR.

"Resilience" Film Screening

Host a screening of the film "Resilience: The Biology of Stress & the Science of Hope." The screening is facilitated with a Q&A style discussion. Resilience provides a deeper understanding of Adverse Childhood Experiences (ACE's) and dives into cutting edge research on toxic stress.

Youth Mental Health First Aid

This training teaches how to help an adolescent who is in crisis or experiencing a mental health or addiction challenge. Parents, family members, caregivers, teachers, schools staff, and other caring citizens are invited to take this training.

Seminars & Roundtables

Sullivan 180 additionally hosts virtual and in-person programs monthly on a variety of topics in the areas of beautification, community development, community health and planning.

Trainings may be eligible for CTLE (Continuing Teacher & Leader Education) or planning/zoning board credits, as appropriate.

To schedule or inquire about a training opportunity, email Info@Sullivan180.org or call (845) 295-2860.

Sullivan County, how do we love thee? Let us count the ways...

We love your babies - During your pregnancy, after your baby is born, from ensuring they have a safe crib to sleep in to a properly fitted car seat, to their first words and steps, our Maternal Child Health programs are here to guide and support you and your growing family.

MCH Home Nursing Visits • Healthy Families • Car Seat Safety • Cribs for Kids

We love your school-age children, and understand that sometimes children need help to achieve developmental milestones. Our many child focused programs keep your child growing and staying healthy.

Early Intervention • Pre-School • Children and Youth with Special Healthcare Needs • Immunization

We love your teenagers, and are here to provide education to help them make healthy choices and begin to safely navigate the world as a young adult.

Community Education • Epidemiology • Immunization

We love your adults, and provide care during different times in your life after illness, injury, or disability. Our talented Nurses, Physical Therapists, Occupational Therapists, Speech Language Pathologist, Medical Social Workers, and Home Health Aides have helped thousands of your friends, neighbors, family-maybe even you!

Certified Home Health Agency • Maternal Child Health • Long Term Home Health Care

We love to prevent illness, promote healthy options, and protect your health!

Whether it is responding during an emergency, investigating an outbreak of illness, hosting a vaccination clinic, rabies clinic, car seat safety event, or health fair, Sullivan County Department of Public Health shows their love for **you**, our community.

In every part of life you journey through, we are always here for you.

For more information on our services, call Sullivan County Department of Public Health at: 845-292-5910, ext. 0 or visit our webpage at www.sullivanny.us/departments/publichealth.

SALT is a community coalition of agencies and community resources committed to enhancing youth development, preventing crisis and improving the quality of life for the residents of Sullivan County.
